Teacher's Manual and Explanation Guide Michael Kotch, 2021-05-07 Teacher's Manual and Explanation Guide Bible for Catholics is exactly what its title says it is. It is a teacher's manual that explains how to best use the main textbook to teach a comprehensive summary of the Catholic Bible to students or a resource for anyone who wants explanations of the material in the textbook. This book summarizes, clarifies, and gives explanations to the textbook material. The main textbook was written in a manner in which the only material in it is shortened information from the Bible or actually quoted word for word information from the Bible. As such, it is a pure summary of the Bible with no explanations or interpretations from the author.
