new insights into the worlds of both deities hitherto missing in the literature **Sounds of Infinity** Lee Morgan, 2019-08-05

This story about faerie began as a vision In his newest work Lee Morgan follows a cacophony of visions with sharp bright edges to them that have lain claim to his heart and hands In what is clearly a work of the heart Lee bypasses rational intellect guiding the reader to experience the touch scent and feel of the Faerie Faith through symbol and suggestion Sounds of Infinity is divided into three parts the work of the Head the work of the Heart and the work of the Hands The second is a work of occult fiction that meditates upon the themes discussed in Part One in the form of a woven narrative The final part is a practical grimoire that leads the reader through the door to physically manifests the vision they have shared in parts one and two This is not just a book but an experience one which culminates not at the end of reading the volume but in the consummation known in the art of ritual
