Without Hesitation The Odyssey Of An American Warrior:

Without Hesitation Malcolm McConnell, 2024-04-29 Whether serving under a Democratic president or a Republican president General Shelton was never afraid to speak out and tell it like it is Shelton chronicles his incredible journey from a small farming community in North Carolina to the highest level of American military and political power at the Pentagon and White House As one of the nation's elite Special Forces soldiers Shelton served twice in Vietnam commanding a Green Beret unit and then an airborne infantry company He was awarded a Bronze Star for valor and a Purple Heart for a wound suffered when a booby trap drove a poisoned stake through his leg Shelton rose up the ranks and was assistant division commander of the 101st Airborne Division as they invaded Iraq in the Persian Gulf War then led the 20 000 American troops tasked with restoring Haiti's deposed President Jean Bertrand Aristide to power Promoted to 4 star General he became Commander in Chief of U S Special Operations Command including Delta Force Navy SEALs and other top secret Special Mission Units

Without Hesitation Hugh Shelton, Ronald Levinson, Malcolm McConnell, 2010-10-12 The powerful unvarnished memoir of General Hugh Shelton war hero Chairman of the Joint Chiefs of Staff during 9 11 and one of the leading military figures of our time Whether serving under a Democratic president or a Republican president General Shelton was never afraid to speak out and tell it like it is Shelton chronicles his incredible journey from a small farming community in North Carolina to the highest level of American military and political power at the Pentagon and White House As one of the nation's elite Special Forces soldiers Shelton served twice in Vietnam commanding a Green Beret unit and then an airborne infantry company He was awarded a Bronze Star for valor and a Purple Heart for a wound suffered when a booby trap drove a poisoned stake through his leg Shelton rose up the ranks and was assistant division commander of the 101st Airborne Division as they invaded Iraq in the Persian Gulf War then led the 20 000 American troops tasked with restoring Haiti's deposed President Jean Bertrand Aristide to power Promoted to 4 star General he became Commander in Chief of U S Special Operations Command including Delta Force Navy SEALs and other top secret Special Mission Units But it was while serving as Chairman during both the Clinton and Bush administrations that he faced his biggest challenges including his role as chief architect of the U S military response to 9 11 General Shelton speaks frankly of how decisions were made behind the scenes in the inner sanctum of the E Ring and Oval Office and reveals key military operations and meetings that have not yet been revealed including High ranking Cabinet member proposes intentionally allowing an American pilot to be killed by the Iraqis to have an excuse to retaliate and go to war Details of a contentious Camp David meeting among President George W Bush and his National Security Council immediately after 9 11 where internal battle lines were drawn and Shelton along with Colin Powell convinced President Bush to do the right thing How Rumsfeld persuaded General Tommy Franks to bypass the Joint Chiefs leading to a badly flawed Iraq war plan that failed to anticipate the devastating after effects of the insurgency and civil war Attempts to kill Usama bin Laden that were shot down by our State Department CIA botched high profile terrorist

snatches leaving Shelton's Special Operations teams to clean up their mess How Shelton persuaded Haiti's dictator to flee the country And much more Yet it's Shelton's amazing personal story that puts his military career in perspective It began with a fall from a ladder in his backyard resulting in total paralysis from the neck down and a risky experimental procedure so dangerous that if it didn't cure him chances are it would kill him Revealing compelling and controversial Without Hesitation is the story of a man whose integrity and ethics were always above reproach and who dedicated his life to serving his country

Blunder Patrick Porter, 2018-11-01 Why did Britain go to war in Iraq in 2003 Existing accounts stress dodgy dossiers intelligence failures and the flaws of individual leaders Deploying the large number of primary documents now available this book puts ideas at the centre of the story As the book argues Britain's war in Iraq was caused by bad ideas that were dogmatically held and widely accepted Three ideas in particular formed the war's intellectual foundations the notion of the undeterrable fanatical rogue state the vision that the West's path to security is to break and remake states and the conceit that by paying the blood price Britain could secure influence in Washington DC These issues matter because although the Iraq War happened fifteen years ago it is still with us As well as its severe consequences for regional and international security the ideas that powered the war persist in Western security debate If all wars are fought twice first on the battlefield and the second time in memory this book enters the battle over what Iraq means now and what we should learn *Colin Powell* Jeffrey J. Matthews, 2019-03-15 This fascinating biography of the late Colin Powell brings to light his towering achievements and errors in judgment during a lifetime devoted to public service Until he passed away in 2021 Colin Powell was revered as one of America's most trusted and admired leaders This biography demonstrates that Powell's decades long development as an exemplary subordinate is crucial to understanding his astonishing rise from a working class immigrant neighborhood to the highest echelons of military and political power including his roles as the country's first Black national security advisor chairman of the Joint Chiefs of Staff and secretary of state Once an aimless ambitionless teenager who barely graduated from college Powell became an extraordinarily effective and staunchly loyal subordinate to many powerful superiors who in turn helped to advance his career By the time Powell became chairman of the Joint Chiefs of Staff he had developed into the consummate follower motivated competent composed honorable and independent The quality of Powell's followership faltered at times however while in Vietnam during the Iran Contra scandal and after he became George W Bush's secretary of state Powell proved a fallible patriot and in the course of a long and distinguished career he made some grave and consequential errors in judgment While those blunders do not erase the significance of his commendable achievements amid decades of public service we can learn much from his good and bad leadership
