Without Vodka : Wartime Adventures in Russia Aleksander Topolski, 2000 Without Vodka Aleksander Topolski, 2001

Aleksander Topolski was 16 when he was called up for military service on the morning of August 24 1939 In eight days his native Poland would be invaded by the Germans Shortly thereafter the Russians rolled in under the Hitler Stalin pact and when Topolski tried to sneak across the border into Romania he was captured by Soviet border guards Thus began a more than two year long ordeal through the Soviet Union's outrageously absurd penal system described here with an unexpected sense of irony and a superhuman capacity for recalling fascinating details **Two Years in a Gulag** Frank

Pleszak, 2013-02-15 The true story of a Polish peasant exiled to the harsh Gulags of north eastern Siberia during the Second World War **Ayn Rand and Song of Russia** Robert Mayhew, 2005 In October 1947 more than twenty years after leaving

Russia Ayn Rand testified before the House Un American Activities Committee HUAC which was investigating communist infiltration of the motion picture industry The focus of that testimony was *Song of Russia* a 1944 pro Soviet film that Rand decried for its unrealistic absurdly flattering portrait of life in the communist country Ayn Rand scholar Robert Mayhew focuses on this controversial period of American and Hollywood history by examining both the film and the furor surrounding Rand's HUAC testimony His analysis provides the first detailed history of any of the pro Soviet films to come out of 1940s Hollywood Mayhew begins by offering a brief synopsis of the MGM film followed by an account of its production as well as its reception Most significantly Mayhew analyzes Rand's appearance before HUAC and discusses the response to her much maligned testimony By carefully scrutinizing this one episode in the history of communism and anti communism in 1940s Hollywood Mayhew presents a more accurate picture of those times and the issues surrounding them His study allows for a re evaluation of the role of communism in Hollywood the nature of the HUAC and even the Hollywood Ten This book should be of interest to anyone interested in the life and thought of Ayn Rand as well as to anyone interested in the history of Hollywood communism and of American film **Little Soldiers** Olga Kucherenko, 2011-01-13 Germany's war against the

Soviet Union raised a small army of child soldiers Thousands of those below the enlistment age served with regular and paramilitary formations even though they were not formally mobilised or allowed at the front For several decades after the war these youngsters played an important part in Soviet remembrance culture though their true experiences were obscured by the myth of the Great Patriotic War Situated at the crossroads of social cultural and military history *Little Soldiers* is the first to tell the story of the Soviet Union's child soldiers in a critical and systematic fashion Focusing on the mechanisms and psychological consequences of propaganda on Soviet children as well as their combat deployment Kucherenko adopts a three tier approach to writing the history of childhood from above from below and from within A wide variety of new sources provide insight into young soldiers combat motivations and the roles they played in the field as well as their routine experiences and relationship with older comrades Far from being victims Soviet child soldiers emerge as independent social

actors capable of making choices about their behaviour Little Soldiers interconnects with matters of increasing importance the role of propaganda in military conflicts the totalization of warfare child soldiering and social reflexivity **Soviet Street Children and the Second World War** Olga Kucherenko, 2016-07-14 A time of great hardship the Second World War became a consequential episode in the history of Soviet childhood policies The growing social problem of juvenile homelessness and delinquency alerted the government to the need for a comprehensive child protection programme Nevertheless by prioritizing public order over welfare the Stalinist state created conditions that only exacerbated the situation transforming an existing problem into a nation wide crisis In this comprehensive account based on exhaustive archival research Olga Kucherenko investigates the plight of more than a million street children and the state's role in the reinforcement of their ranks By looking at wartime dislocation Soviet child welfare policies juvenile justice and the shadow world both within and without the Gulag **Soviet Street Children and the Second World War** challenges several of the most pervasive myths about the Soviet Union at war It is therefore as much an investigation of children on the margins of Soviet society as it is a study of the impact of war and state policies on society itself Waiting to be Heard Bogusia J. Wojciechowska, 2009 Waiting to be Heard is the voice of the persecuted the brave the hopeful the betrayed and the determined It is a testament to the strength of the human spirit and to a generation that did not see itself as victims but as survivors Studies of the War and post War years have traditionally focused on political and military history In recent years there has been a greater interest in the social consequences of the War Nevertheless discussions relating to the displacement of the Polish born usually focus on the Holocaust interpreted as a Jewish only phenomenon Yet in the years 1939-45 Poland lost 6 029 000 or 22% of its total population including approximately 3 million of its Christian residents Many of those who survived the War at its conclusion were scattered all over the world by the end of 1945 249 000 members of the Polish Armed Forces were under British command with 41 400 dependants in the United Kingdom Italy East and South Africa New Zealand India Palestine Mexico and Western Germany These refugees have long sought a voice for their experiences The website www.PolishDiaspora.net was created in 2006 by Dr Wojciechowska as a forum for their voices The international deluge of interest in the project resulted in Waiting to be Heard While some participants had talked and written about their experiences before the majority had not discussed their experiences with anyone outside their immediate social circle And the memories are still painful as exemplified by one participant who said God I ask you allow me to forget those days and weeks when I lay on piles of corpses in the hope of finding a tiny bit of warmth allow me to forget the licking of ice from the walls of the cattle wagons allow me to lose my memory of those years **Motherland in Danger** Karel C. Berkhoff, 2012-04-25 Berkhoff addresses one of the most neglected questions facing historians of the Second World War How did the Soviet leadership sell the campaign against the Germans to people on the home front **Motherland in Danger** takes us inside the Stalinist state to witness up close how the Soviet media reflected and distorted every aspect of the war **In**

Search of Staszewski Kenneth Fedzin, 2014-04-28 However horrible the past may have been forgetting it would make the future even worse International Historical Enlightenment Human Rights and Humanitarian Society Memorial Moscow Set around the time of the 1863 Uprising and World War II In Search of Staszewski is a powerful and moving real life account of a Polish family's six year ordeal and fight for survival under Soviet Oppression Focusing on a family that were victims of Tsarist Russia's oppression the book also investigates Stalin's brutal regime and the dreaded Gulag system where in addition to millions of Russian citizens hundreds of thousands of innocent Poles died as a result Some survived and escaped the Soviet paradise going on to fight courageously alongside allied forces during World War II Investigated and told by the son of a survivor who only learned the truth after the sudden death of his father two strands of detailed investigation are woven into an emotional journey of discovery uncovering the shocking details his father was so reluctant to speak about In Search of Staszewski is not only the story of a fight for survival by four generations of one family but also of a people's struggle to preserve their cultural and national identity in the face of powerful neighbours Inspired by authors such as Norman Davies Orlando Figes and Pulitzer Prize winner Anne Applebaum In Search of Staszewski uncovers the truth surrounding a little known and largely untold episode of World War II history that will surprise and shock fans of historical and biographical non fiction works

The Polish Deportees of World War II Tadeusz Piotrowski, 2007-09-28 Among the great tragedies that befell Poland during World War II was the forced deportation of its citizens by the Soviet Union during the first Soviet occupation of that country between 1939 and 1941 This is the story of that brutal Soviet ethnic cleansing campaign told in the words of some of the survivors It is an unforgettable human drama of excruciating martyrdom in the Gulag For example one witness reports A young woman who had given birth on the train threw herself and her newborn under the wheels of an approaching train Survivors also tell the story of events after the amnesty Our suffering is simply indescribable We have spent weeks now sleeping in lice infested dirty rags in train stations wrote the Milewski family Details are also given on the non European countries that extended a helping hand to the exiles in their hour of need
