Wolf Solent Ebook:

Wolf Solent John Cowper Powys, 2025-11-06T02:58:00Z Wolf Solent is the first of four Wessex novels by John Cowper Powys based on a fictionalized southwest England in the pattern of Thomas Hardy The titular character after having a mental breakdown loses his job and travels to the small town of Ramsgard to do literary work for a local squire There he becomes involved with two women Gerda who is simple and in tune with nature and Christie who is more complex and intellectual The novel is very introspective We watch Wolf's inner thoughts as he tries to make sense of his secret mythology or life illusion based on his idea of an internal battle of good versus evil As various buried secrets emerge some involving his own family Wolf tries to navigate his relationships and questions his own impulses feeling that the survival of his life illusion is at stake The novel was very well received on publication and is considered a literary masterpiece despite its curious lack of renown Author Simon Heffer called Wolf Solent the finest novel by an Englishman in the 20th century This book is part of the Standard Ebooks project which produces free public domain ebooks *Atlantis* John Cowper Powys, 2011-12-15 Published in 1954 John Cowper Powys called this novel a long romance about Odysseus in his extreme old age hoisting sail once more from Ithaca As usual there is a large cast of human characters but Powys also gives life and speech to inanimates such as a stone pillar a wooden club and an olive shoot The descent to the drowned world of Atlantis towards the end of the novel is memorably described indeed Powys himself called it the best part of the book Many of Powys's themes such as the benefits of matriarchy the wickedness of priests and the evils of modern science which condones vivisection are given full rein in this odd but compelling work **Rodmoor** John Cowper Powys, 2012-03-15 Rodmoor is unusually for a John Cowper Powys novel set in East Anglia Rodmoor itself being a coastal village The protagonist Adrian Sorio is a typically Powys like hero highly strung with only precarious mental stability He is in love with two women Nance Herrick and the more unconventional Phillipa Renshaw This was Powys second novel published in 1916 It deploys a rich and memorable cast of characters

Wood and Stone John Cowper Powys, 2011-12-15 Wood and Stone was John Cowper Powys first novel published in 1915 It is no prentice work however the author was already in his forties The novel is set in the area of south Somerset that John Cowper Powys grew up in The village of Nevilton is based on Montacute where his father was vicar for many years When he wrote it Powys was living in the USA and it is perhaps this absence that accounts for the heightened vividness of the descriptive writing Powys deploys a large and wonderfully delineated cast of characters They are loosely divided between the well constituted and the ill constituted Characteristically Powys favours the latter *Ducdame* John Cowper Powys, 2011-12-15 Ducdame was John Cowper Powys fourth novel published in 1925 It is set in Dorset The protagonist Rook Ashover a wonderfully Powysian name is an introverted young squire with a dilemma to go on loving his mistress Netta Page or make a respectable marriage and produce an heir Of his early novels pre Wolf Solent this one is often considered to be the most carefully constructed and best organized Like them all it contains a gallery of rich complex characters and glorious

writing The Brazen Head John Cowper Powys,2011-12-15 In this panoramic novel of Friar Roger Bacon John Cowper Powys displays his genius at its most fecund First published in 1956 this novel set in thirteenth century Wessex is an amalgam of all the qualities that make John Cowper Powys unique The love story of Lil Umbra and Raymond de Laon and the quest of the Mongolian giant Peleg for Ghosta the girl seen loved and lost on the battlefield are intermingled with the historical theological and magical threads which form the brocade of this novel Dominating all is the mysterious creation of Roger Bacon one of the boldest as well as most intricate of Powys world changing inventions Professor G Wilson Knight called this A book of wisdom and wonders *Wolf solent* John Cowper Powys,1961 **John Cowper Powys's Wolf Solent** Belinda Humfrey,1990 *Wolf Solent* first published in 1929 **Wolf Solent** John Cowper Powys,1971 Wolf's-Bane Rhymes John Cowper Powys,2016-05-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
