creation itself It is said that as the creator was making human beings he was surrounded by souls to place in them The creator decided to take a single soul and split it in half creating twin souls He then took the two twin souls and touched them together as light as a butterfly s kiss The twin souls were then separated and placed respectively into man and woman The creator lightly touched them together so that when they meet one day they will recognize the other s soul as their twin This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever I am Sumanitu taka kici mani wiya which means she who walks with the wolf and live with my elderly grandmother Shetawahki who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe

Dark Escape and the Search for the Crystal Key Eileen Sheehan,2018-02-23 In a world where darkness and magic collide Tara s life is turned upside down when she meets two enigmatic and handsome strangers each with their own secrets and charms These new allies hold the key to unlocking the mysteries of her past and guiding her towards a destiny she never imagined As Tare ventures deeper into the shadows she discovers a hidden realm where time weaves its own tapestry of fate After losing her best friend an old Irish woman adept in magic while escaping evil she travels back in time where she encounters her own doppelganger and reunites with her magical best friend from a previous existence Together they must navigate treacherous landscapes battle dark forces and uncover the secrets of the Crystal Key a powerful artifact with the potential to alter the course of history Dark Escape and the Search for the Crystal Key is a spellbinding tale of adventure romance and the timeless bonds of friendship

Tara's quest to find the crystal and mend the fractured threads of time will captivate readers and leave them yearning for more. HERE IS WHAT READERS ARE SAYING ABOUT THIS FANTASY TALE The plot was very interesting and quite different to previous things I've read. There were some surprises along the way but there was also some guessable turns however it was still a lot of fun. I felt that there was a good story line underneath everything and it turned out really well in the end because everything else characters pace writing style etc worked well together creating a great story. Eileen was able to deliver the perfect amount of tension and carry out the scenes very well. This showed just how much of a great writer she was and created contrast within the story. This book combined many different elements but Eileen combined them in a successful manner that really made it both easy and fun to read and understand. DARK ESCAPE begins the story of innocence, love, deceit and wonder.

Mila (Book 3) Eileen Sheehan, 2025-07-31 In the gripping conclusion to the Mila Trilogy Princess Mila fights to reclaim her rightful place on the throne. But the road to the crown is littered with peril: wild dragons ravage the countryside, Prince Elon of Ondre marches with steel and fire, and within the palace walls the cunning Dowager Queen weaves a treacherous plot to seize control of both the crown and the sacred unicorns for herself. Desperate to save her people and unite a fractured land, Mila allies with the Elves of Light and Harmony and receives unexpected aid from the distant realm of Wadom. Together they must confront not only the armies of man but the untamed fury of dragons that threaten to consume all. As war looms and betrayal festers, Mila discovers strength she never knew she had and love where she least expected it. But will it be enough to overcome the forces that seek to break her? Mila Book 3 is a breathtaking finale where magic collides with ambition and a young queen must rise or see her kingdom fall.

A Vampire's Love Eileen Sheehan, 2018-09-01 A Vampire's Love made it all worthwhile. Accepting an invitation to a paranormal investigation on Halloween night was supposed to help Genice disprove superstitions and myths. Instead it brought encounters with ghosts, the death of a dear friend, and the awakening of a side of her she never knew existed. Filled with excitement, peril, and sizzling romance, this is a story that you'll want to read more than once.

WHAT SOME READERS ARE SAYING ABOUT THIS STEAMY PARANORMAL ROMANCE What a completely compelling story. I loved all of the mystical elements brought into the story. This is not your typical romance/love story; it's even better. There's action, excitement, drama, intrigue, and of course a smoldering hot vampire love interest. What an incredible paranormal romance. I hope there are more to this book. I loved, loved, loved this book. This book had everything I wanted in a paranormal romance: insta-love from an alpha vampire trying to protect his mate, drama, some mystery, and lots of paranormal activity. You don't want to miss this book. There is lots of action and paranormal activity in this novel. Throw in some steamy sex scenes and you have yourself a novel to read while relaxing with a glass of wine. This is the first book I've read by Ellen Sheehan and I loved it. She has a nice writing style and tells the story well.

Conry Eileen Sheehan, 2024-08-06 When Willow and her mother relocate from the arid landscapes of New Mexico to the dense forests of Conry, New York, they leave behind more than just their home; they step into a world teeming

with secrets and supernatural beings Conry isn't your typical small town its population is dominated by werewolves each with their own hidden stories and complex lives Willow's mother is an ordinary human but her late father carried the werewolf gene a legacy he passed down to her Now living under the same roof as her werewolf uncle Willow grapples with the fear and uncertainty of her own dormant wolf gene while doing her best to ward off those who wish to activate it for her As she navigates her new life she forms a close bond with a local boy who is destined to embrace his own werewolf transformation Just when Willow begins to adapt to the extraordinary challenges of living among werewolves and resisting her own inner beast a new terror descends upon Conry a wendigo an ancient and malevolent creature with a hunger for human flesh Willow's journey is one of self discovery friendship and survival in a world where the line between humanity and monstrosity is dangerously thin Can she keep her inner wolf at bay or will she have to embrace her true nature to protect those she loves
