Funny Little Thing Called Love Jessie Jones, Nicholas Hope, Jamie Wooten, 2015-05-15 This deliriously funny new Jones Hope Wooten comedy is all about that four letter word L O V E Under a full moon on this unpredictable night of romance these four rollicking tales take you on an around the globe journey of unexpected and hilarious twists and turns A slick successful used car selling Romeo in Dallas Texas believes he s answering Cupid s call only to realize too late that he s wandered into a life changing trap set by three fed up Juliets On an island getaway The Hallelujah Girls a group of fun loving gals from Georgia say aloha to their wild sides as they accidentally crash a Hawaiian honeymoon in progress These five women and Waikiki will never be the same In a rooftop London bistro sparks fly when two strangers surprisingly start to connect only to be thwarted by a hyperactive American tourist who s determined to be the center of attention and the unpredictable antics of an ancient waitress who wields a wicked sousaphone And finally in Manhattan a man tries to battle his way out of a mid life crisis with an ill advised and elaborate marriage proposal Unfortunately it all goes wildly off track when his caterer passes out a tap dancing singing telegram girl breaks into sobs rather than song his ex wife saunters in wearing nothing but a bathrobe and a smile and a cowering superhero inches nervously across his twelfth floor window ledge So open your heart to romantic mayhem and come join the fun By the time the evening is over and the moon works its magic love will conquer all and your sides will ache from laughter

Reflections from the Recliner Fifth Floor Freddy, 2010-09 Beeeeeeeeeeeep This is a jest This is only a jest Rhymes from the Recliner A Collection of Couch Potato Poetry is a light hearted devotional to classic television programming It s tinted with humor irony and affection and intended to put a horizontal hold on lovers of prose and tv shows It is easily enjoyed by most everyone though poetry readers and music listeners may be the most enthusiastic for they will also notice that many of the poems are patterned after well known pieces of poetry and popular songs It is for people who have grown tired of others tuning in and dropping out when they quote the same old stuffy bits of philosophy about life and love It is for those who want to arm themselves with a clever verse about The Love Boat or Name that Tune and turn themselves into a regular boob tube troubadour It can be enjoyed with a latte at one s favorite coffee shop or with a beer and a bag of chips on an old sofa munching and giggling to Hee Haw as interpreted thru Shakespeare There really is something good on television this book
