Because His Heart Was Strong Chelsey L. Owens, 2018-12-10 That was the moment the turning point That was the moment I fully understood the depth of Daddy's love for me Similar to the love of Christ I knew his lack of consciousness or even more realistically the hostility of death's doorstep could not interfere with my father's matchless love for his only daughter While Christ's suffering made me realize His love for me my daddy's suffering made me realize my love for him Losing a parent is never easy Losing a good parent is even crueler But losing an admirable parent comparable to Christ it's an extremely bitter truth to accept Written from the viewpoint of an undeniable Daddy's girl *Because His Heart Was Strong* entwines the captivating journey of Rick Owens' final decade of life through her own story including the remarkable courage

he demonstrated amidst prolonged suffering and the sheer legacy he imparted in death highlighting the faith he placed in his Savior through it all *From the Heart* Jeffrey L. Kosky,2025-02-25 What does it mean to have a heart How does it feel when a heart fails and what does it take to recover In a world beset by never ending crises personal and collective local and global is heartlessness the only option From the Heart weaves together a personal narrative of a life threatening ailment with considerations of philosophy art and science to contemplate ultimate questions matters of life and death Jeffrey L Kosky recounts his brush with death the surgical repair of a congenital defect in his aortic valve his gradual recovery of everyday life and his struggle to find the heart to go on throughout it all To make sense of the experience he immerses himself in humanistic inquiry and medical science the histories of medicine cardiac surgery and knowledge of the human heart as well as the works of artists writers philosophers and theologians Writing about the experience of being human from the precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living

Heart of the Mountain Larry Correia,2025-02-04 The final novel in New York Times best selling author Larry Correia s epic fantasy Saga of the Forgotten Warrior series What happens after the War of the Gods The answer lies in the Heart of the Mountain Ashok Vadal was chosen by a powerful weapon to be its bearer As a Protector an elite roving law enforcer his path to leader of the Sons of the Black Sword has been anything but straight Thera Vane a child of privilege has become the reluctant prophet of an illegal and forgotten god whose prophecies are proving all too correct if frustratingly unclear about the war between demon and man Ashok s erstwhile sword brother Lord Protector Devedas was meant to be a puppet king but he and his wife a court scholar have other plans And possibly even access to the lore that will let them triumph Grand Inquisitor Omand Vokkan is a man of ambition He s set in motion all that was necessary to destroy the current order and install Lord Protector Devedas as a tyrant But Vokkan has a vision beyond control of the continent He would challenge even the gods It seems the time of prophecy and the Age of Law is over it is time the prophecies will be fulfilled At the publisher s request this title is sold without DRM Digital Rights Management

Education is the philosophy and practice that inspires both children and adults to be the best that they can be After all we are all growing and it is not only our children that can benefit from education and development but adults too In his constant bid for better education author Dr Neil Hawkes advocates a positive mental attitude which aims to empower young people with a sense of their own future and their potential to shape it according to their own purpose Neil discusses the benefits of caring for yourself and others as well as providing medical evidence to support these ideas He contextualises his philosophy by demonstrating ways in which teachers parents and pupils can use it to create a happier and more productive learning environment by raising their self awareness and self confidence **The Secret Places of The Heart** H. G.

Wells,2025-06-19 The Secret Places of the Heart by H G Wells is a provocative exploration of the intricacies of human relationships love and desire that invites readers to delve into the hidden depths of the human heart Published in 1918 this novel is a remarkable blend of romantic fiction and psychological exploration emphasizing Wells s ability to capture the complexities of human emotions within the framework of Victorian literature At its core lies the enigmatic character of Stephen a man grappling with both his heart s yearnings and the societal expectations imposed upon him As Stephen navigates his relationships readers are drawn into a narrative rich with emotional depth and introspection The story presents a vivid portrait of his interactions with a variety of characters each of whom embodies different facets of love and intimacy Through delicate and often intense dialogues Wells reveals the profound struggles of his characters as they seek to understand their desires and the enigmatic nature of love itself This journey is not merely about romantic entanglements it serves as a powerful social commentary on the gender dynamics of the time exploring how men and women perceive each other and the social mores that shape their connections Wells is adept at crafting lifelike and complex characters that resonate with authenticity The novel invites readers to reflect on the nature of affection the thrill of passion and the inescapable vulnerabilities that accompany emotional closeness As Stephen seeks out essences of truth in his relationships he confronts the realities of his inner soul questioning what it means to love and to be loved With a voice that is at once accessible and intellectually stimulating Wells encourages an examination of the human experience that goes beyond the surface of mere attraction In The Secret Places of the Heart Wells employs his trademark style a rich narrative interwoven with philosophical themes that challenge the reader s perceptions of love He delves into the search for meaning presenting

love not just as an emotional attachment but as a central pillar of human existence The novel s thought provoking elements resonate even today encouraging a deeper contemplation of how love shapes identities and influences social constructs As readers engage with this compelling tale they are left to ponder the transformative power of intimacy and the often uncharted territories of the heart This remarkable work is an essential read for those interested in the intersections of romantic fiction and psychology Wells s keen insight into human behavior coupled with his innovative narrative style ensures that *The Secret Places of the Heart* remains a valuable addition to the canon of 20th century literature By intertwining the threads of desire and human connection this novel captures the essence of what it means to be truly alive in the world making it a timeless exploration of the heart s secret places
