This Mighty Scourge Perspectives On The Civil War

Jonathan Daniel Wells

This Mighty Scourge Perspectives On The Civil War:

This Mighty Scourge James M. McPherson, 2009-10-12 The author of the Pulitzer Prize winning *Battle Cry of Freedom* and the New York Times bestsellers *Crossroads of Freedom* and *Tried by War* among many other award winning books James M McPherson is America's preeminent Civil War historian In this collection of provocative and illuminating essays McPherson offers fresh insight into many of the enduring questions about one of the defining moments in our nation's history McPherson sheds light on topics large and small from the average soldier's avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South Readers will find insightful pieces on such intriguing figures as Harriet Tubman John Brown Jesse James and William Tecumseh Sherman and on such vital issues as Confederate military strategy the failure of peace negotiations to end the war and the realities and myths of the Confederacy This *Mighty Scourge* includes several never before published essays pieces on General Robert E Lee's goals in the Gettysburg campaign on Lincoln and Grant in the Vicksburg campaign and on Lincoln as Commander in Chief All of the essays have been updated and revised to give the volume greater thematic coherence and continuity so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world Combining the finest scholarship with luminous prose and packed with new information and fresh ideas this book brings together the most recent thinking by the nation's leading authority on the Civil War

This Mighty Scourge James M. McPherson, 2009-11-05 In this collection of provocative and illuminating essays Pulitzer Prize winning historian James M McPherson offers fresh interpretations and insights into many of the most enduring questions and debates about America's greatest historical crisis the Civil War In a collection that includes several never before published essays McPherson reflects on everything from Lincoln as Commander in Chief to what might have happened if the South had won

This Mighty Scourge James M. McPherson, 2007 The Pulitzer Prize winning author of *Battle Cry of Freedom* and the New York Times bestseller *Crossroads of Freedom* among many other award winning books James M McPherson is America's preeminent Civil War historian Now in this collection of provocative and illuminating essays McPherson offers fresh insight into many of the most enduring questions about one of the defining moments in our nation's history McPherson sheds light on topics large and small from the average soldier's avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South Readers will find

This Mighty Scourge - James M. McPherson, 2009 Explores the myth of Jesse James as a Robin Hood figure and details the Southern refusal to accept some history books about the Civil War

The Army Lawyer, 2008 **Armies of Deliverance** Elizabeth R. Varon, 2019-02-13 In *Armies of Deliverance* Elizabeth Varon offers both a sweeping narrative of the Civil War and a bold new interpretation of Union and Confederate war aims

Military Strategy Jeremy Black, 2020-04-07 A global account of military strategy which examines the practices rather than the theories of the most significant military figures of the past 400 years Strategy has existed as long as there has been organised conflict In this new account Jeremy Black explores the ever changing relationship between

purpose force implementation and effectiveness in military strategy and its dramatic impact on the development of the global power system Taking a total view of strategy Black looks at leading powers notably the United States China Britain and Russia in the wider context of their competition and their domestic and international strengths Ranging from France s Ancien Regime and Britain s empire building to present day conflicts in the Middle East Black devotes particular attention to the strategic practice and decisions of the Kangxi Emperor Clausewitz Napoleon and Hitler

The Most Hated Man in Kentucky Brad Asher, 2021-07-27 A revealing biography of Stephen Gano Burbridge the controversial Union Army general known as the Butcher of Kentucky For the last third of the nineteenth century Union General Stephen Gano Burbridge enjoyed the unenviable distinction of being the most hated man in Kentucky From mid 1864 just months into his reign as the military commander of the state until his death in December 1894 the mere mention of his name triggered a firestorm of curses from editorialists and politicians By the end of Burbridge s tenure Governor Thomas E Bramlette concluded that he was an imbecile commander whose actions represented nothing but the blundering of a weak intellect and an overwhelming vanity In this revealing biography Brad Asher explores how Burbridge earned his infamous reputation and adds an important new layer to the ongoing reexamination of Kentucky during and after the Civil War Asher illuminates how Burbridge as both a Kentuckian and the local architect of the destruction of slavery became the scapegoat for white Kentuckians including many in the Unionist political elite who were unshakably opposed to emancipation Beyond successfully recalibrating history s understanding of Burbridge Asher s biography adds administrative and military context to the state s reaction to emancipation and sheds new light on its postwar pro Confederacy shift A solid reassessment of Kentucky s most controversial and reviled Union general and one that will help readers understand the state s complex place and Burbridge s complex place in Civil War history Stuart W Sanders author of *Murder on the Ohio Belle* A superb biography of one of the most pivotal figures in Kentucky s Civil War history There has been a lot of revisionist literature in the last fifteen years on Kentucky s belated Confederate identity but no work up to now has addressed Burbridge himself Brad Asher has filled a very important gap in the literature on wartime and postwar memory of Kentucky Aaron Astor author of *Rebels on the Border* Civil War Emancipation and the Reconstruction of Kentucky and Missouri 1860-1872 Asher does a terrific job of weaving together the military political social and economic threads that made Kentucky such a complex story in and of itself during the Civil War

Emerging Civil War Book Reviews **Six Encounters with Lincoln** Elizabeth Brown Pryor, 2018-02-06 Winner of the Barondess Lincoln Award from The Civil War Round Table of New York Fascinating reading this book eerily reflects some of today s key issues The New York Times Book Review From an award winning historian an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U S Army officers on the eve of the Civil War A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist A tense exchange on a navy ship with a Confederate editor and businessman In this eye opening book

Elizabeth Brown Pryor examines six intriguing mostly unknown encounters that Abraham Lincoln had with his constituents. Taken together they reveal his character and opinions in unexpected ways illustrating his difficulties in managing a republic and creating a presidency. Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself: the clamorous diversity of the populace with its outspoken demands. She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple concerns that make up being a political leader: how conflicted he was over the problem of emancipation and the misperceptions Lincoln and the South held about each other. Pryor also provides a fascinating discussion of Lincoln's fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power. Based on scrupulous research that draws on hundreds of eyewitness letters, diaries, and newspaper excerpts, *Six Encounters with Lincoln* offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with and who had to deal with the many critics, naysayers, and dilemmas he faced without always knowing the right answer. What it shows most clearly is that greatness was not simply laid on Lincoln's shoulders like a mantle but was won in fits and starts.

Bleeding Kansas Michael Woods, 2016-10-04. Between 1854 and 1861 the struggle between pro and anti slavery factions over Kansas Territory captivated Americans nationwide and contributed directly to the Civil War. Combining political, social, and military history, *Bleeding Kansas* contextualizes and analyzes prewar and wartime clashes in Kansas and Missouri and traces how these conflicts have been remembered ever since. Michael E. Woods's compelling narrative of the Kansas-Missouri border struggle embraces the diverse perspectives of white northerners and southerners, women, Native Americans, and African Americans. This wide-ranging and engaging text is ideal for undergraduate courses on the Civil War era, westward expansion, Kansas and/or Missouri history, nineteenth-century US history, and other related subjects. Supported by primary source documents and a robust companion website, this text allows readers to engage with and draw their own conclusions about this contentious era in American History.

The Story of Religion in America James P. Byrd, James Hudnut-Beumler, 2021-11-30. Written primarily for undergraduate classes in American religious history and organized chronologically, this new textbook presents the broad scope of the story of religion in the American colonies and the United States. While following certain central narratives, including the long shadow of Puritanism, the competition between revival and reason, and the defining role of racial and ethnic diversity, the book tells the story of American religion in

all its historical and moral complexity To appeal to its broad range of readers this textbook includes charts timelines and suggestions for primary source documents that will lead readers into a deeper engagement with the material Unlike similar history books The Story of Religion in America pays careful attention to balancing the story of Christianity with the central contributions of other religions

The Confederate Culture and Its Weaknesses Jon P. Alston, 2023-05-26 SOUTHERN CULTURE CONTAINED ELEMENTS THAT PROVED DYSFUNCTIONAL TO WINNING A PRE MODERN WAR FOR SECESSION SOUTHERN CAVALIERS WERE OFTEN MORE CONCERNED WITH THEIR OWN AMBITIONS AND SEARCH FOR HONOR AND POPULARITY ROBERT E LEE LOST THE BATTLE OF GETTYSBURG BECAUSE JEB STUART WAS MORE CONCERNED WITH HIS HONOR THAN WITH FOLLOWING ORDERS OTHER GENERALS REFUSED TO COOPERATE AND REFUSED TO PREVENT THE UNION CAPTURE OF NEW ORLEANS AND VICKSBURG

Looks Good on Paper? Leslie S. Pratch, 2014-07-01 Leslie S Pratch is a practicing psychologist who focuses on assessing and coaching executives who occupy or are candidates for top positions in business organizations In this book she shares insights from more than twenty years of executive evaluations and offers an empirically based approach to identify executives who will be effective within organizations and to flag those who will ultimately fail by evaluating aspects of personality and character that are hidden beneath the surface Pratch compares candidates with impressive careers and tries to determine which ones are likely to act with consistently high integrity and exhibit sound timely judgment when faced with unanticipated business problems Central to effective leadership is a psychological quality called active coping which Pratch defines and explores by referencing case studies historical figures and her own scholarly work This book speaks not only to those in hiring positions and their advisors but more widely to leaders and anyone who wishes to learn more about their own character and the abilities of those around them She offers knowledge asks questions and challenges common perceptions providing a practical tool for those in business and for general readers

The Rest I Will Kill Brian McGinty, 2016-08-16 A surprising work of narrative history and detection that illuminates one of the most daring and long forgotten heroes of the Civil War Independence Day 1861 The schooner S J Waring sets sail from New York on a routine voyage to South America Seventeen days later it limps back into New York s frenzied harbor with the ship s black steward William Tillman at the helm While the story of that ill fated voyage is one of the most harrowing tales of captivity and survival on the high seas it has almost unbelievably been lost to history Now reclaiming Tillman as the real American hero he was historian Brian McGinty dramatically returns readers to that riotous explosive summer of 1861 when the country was tearing apart at the seams and the Union army was in near shambles following a humiliating defeat at the First Battle of Bull Run Desperate for good news the North was soon riveted by reports of an incident that occurred a few hundred miles off the coast of New York where the Waring had been overtaken by a marauding crew of Confederate privateers While the white sailors became chummy with their Southern captors free black man William Tillman was perfectly aware of the fate that awaited him in the ruthless slave filled ports south of the Mason

Dixon Line Stealthily biding his time until a moonlit night nine days after the capture Tillman single handedly killed three officers of the privateer crew then took the wheel and pointed it home Yet with no experience as a navigator only one other helper and a war torn Atlantic seaboard to contend with his struggle had just begun It took five perilous days at sea all thrillingly recounted here before the Waring returned to New York Harbor where the story of Tillman s shipboard courage became such a tabloid sensation that he was not only put on the bill of Barnum s American Museum but also proclaimed to be the first hero of the Civil War As McGinty evocatively shows however in the horrors of the war then engulfing the nation memories of his heroism even of his identity were all but lost to history As such *The Rest I Will Kill* becomes a thrilling and historically significant work as well as an extraordinary journey that recounts how a free black man was able to defy efforts to make him a slave and become an unlikely glimmer of hope for a disheartened Union army in the war battered North

Brigadier General Robert L. McCook and Colonel Daniel McCook, Jr. Wayne Fanbust,2017-06-15 The dramatic battlefield deaths of brother Union Army commanders Robert L McCook and Daniel McCook Jr members of a prominent Ohio family known as the Fighting McCooks drew the full attention of the news media and a war weary nation A veteran of Shiloh and Chickamauga Colonel Daniel McCook was mortally wounded while leading his brigade in a reckless assault up Kennesaw Mountain in June 1864 on the orders of his friend and former law partner General William Tecumseh Sherman Brigadier General Robert L McCook distinguished himself in the western Virginia campaign before he was shot by a Rebel while riding in an ambulance in the summer of 1862 His death in what was an apparent ambush set off a firestorm of outrage throughout the North [The American Crucible](#) Robin Blackburn,2013-08-06 For over three centuries slavery in the Americas fuelled the growth of capitalism But the stirrings of a revolutionary age in the late eighteenth century challenged this peculiar institution and set the scene for great acts of emancipation in Haiti in 1804 in the United States in the 1860s and Brazil in the 1880s Blackburn argues that the anti slavery movement helped forge the political and social ideals we live by today **The**

Routledge History of Nineteenth-Century America Jonathan Daniel Wells,2017-09-14 The Routledge History of Nineteenth Century America provides an important overview of the main themes within the study of the long nineteenth century The book explores major currents of research over the past few decades to give an up to date synthesis of nineteenth century history It shows how the century defined much of our modern world focusing on themes including immigration slavery and racism women s rights literature and culture and urbanization This collection reflects the state of the field and will be essential reading for all those interested in the development of the modern United States **Arms and the**

University Donald Alexander Downs,Ilia Murtazashvili,2012-02-27 Alienation between the U S military and society has grown in recent decades Such alienation is unhealthy as it threatens both sufficient civilian control of the military and the long standing ideal of the citizen soldier Nowhere is this issue more predominant than at many major universities which began turning their backs on the military during the chaotic years of the Vietnam War *Arms and the University* probes

various dimensions of this alienation as well as recent efforts to restore a closer relationship between the military and the university Through theoretical and empirical analysis Donald Alexander Downs and Ilia Murtazashvili show how a military presence on campus in the form of ROTC including a case study of ROTC s return to Columbia and Harvard universities military history and national security studies can enhance the civic and liberal education of non military students and in the process help to bridge the civil military gap

Embracing the Melody of Term: An Mental Symphony within **This Mighty Scourge Perspectives On The Civil War**

In a world used by monitors and the ceaseless chatter of quick interaction, the melodic beauty and mental symphony produced by the written word often disappear in to the background, eclipsed by the constant sound and distractions that permeate our lives. Nevertheless, nestled within the pages of **This Mighty Scourge Perspectives On The Civil War** an enchanting literary treasure filled with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, that interesting masterpiece conducts viewers on a psychological journey, well unraveling the concealed tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of the touching analysis, we will explore the book is key harmonies, analyze their enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
