This Momentary Marriage A Parable Of Permanence:

This Momentary Marriage John Piper, 2009-04-03 Reflecting on forty years of matrimony John Piper exalts the biblical meaning of marriage over its emotion exhorting couples to keep their covenant for all the best reasons Even in the days when people commonly stayed married til death do us part there has never been a generation whose view of marriage was high enough says Pastor John Piper That is all the more true in our casual times Though personal selfishness and cultural bondage obstruct the wonder of God s purpose it is found in God s Word where his design can awaken a glorious vision capable of freeing every person from small Christ ignoring romance intoxicated views As Piper explains in reflecting on forty years of matrimony Most foundationally marriage is the doing of God And ultimately marriage is the display of God It displays the covenant keeping love between Christ and his people to the world in a way that no other event or institution does Marriage therefore is not mainly about being in love It s mainly about telling the truth with our lives And staying married is not about staying in love It is about keeping covenant and putting the glory of Christ s covenant keeping love on display This Momentary Marriage unpacks the biblical vision its unexpected contours and its weighty implications for married single divorced and remarried alike

This book the secret of a successful Relationship Marriage covers a great part in relationships as well as life also ensure you re having a good life time with your couple kids family and friends *Transformative Time Travel* Jay S. Lowder,2024-10-31

Some words belong together But what about these Christian Non fiction Time travel Is that surprising Christians should engage in mental time travel each day Their minds should travel back to the cross of Jesus which should impact their choices today Then their minds should travel forward to the return of Jesus and have increased hope That is biblical meditation thinking about God s truths and then living a hope filled life But what happens when we do it wrong time traveling in fearful worried ways to the terrible future we can imagine Or what if readers fail to time travel to the future to be alert They may even live an undisciplined life today because they do not meditate on their tomorrows enough This book is more than just a book it s a biblical time travel guide It connects readers daily experiences with how God wants them to think about their past and future Readers will be surprised how many of their struggles are linked to their time travel skills What a victorious life awaits as readers learn to enjoy transformative time travel **Alive in Him** Gloria Furman,2017-03-16 Discover the Immeasurable Love of Christ God s grand plan for the redemption of his creation has been in motion since before time began The book of Ephesians lays out this glorious vision revealing what Christ s redemptive work means for the people of God and showing us how we should live in light of that reality *Alive in Him* draws us into the main themes in the book of Ephesians showing us how the blessings we have received in Christ empower our obedience and love for God Designed to be read alongside an open Bible *Alive in Him* helps us apply Paul s letter to our daily lives reminding us of our purpose on earth and directing our gaze to the love of Jesus Christ a love that has the power to transform how we live *The Indissolubility of Marriage* Matthew Levering,2019-05-20 This well researched book explains why the Catholic Church continues to teach marital indissolubility and addresses the numerous contemporary challenges to that teaching It surveys the patristic witness to marital indissolubility along with Orthodox and Protestant views as well as historical critical biblical exegesis on the contested biblical passages It also surveys the Catholic tradition from the Trent through Benedict XVI and it examines a Catholic argument that the Catholic Church s teaching can and should change Then it explores *Amoris Laetitia* the papal exhortation from Pope Francis on marriage and the various major responses to it with the issue of marital indissolubility at the forefront Finally it retrieves Aquinas s theology of marital indissolubility as a contribution to deepening current theological discussions The author argues that *Amoris Laetitia* upholds the traditional Catholic teaching that a valid and consummated Christian marriage is absolutely indissoluble in accord with the teachings of Jesus and the Apostle Paul as solemnly and authoritatively taught by the Council of Trent and affirmed by later popes and the Second Vatican Council He says that *Amoris Laetitia* should be interpreted and implemented in light of the doctrine of marital indissolubility implementations that undermine this doctrine should be avoided Levering says that numerous contemporary Catholic theologians and biblical scholars are mistakenly turning the indissolubility of marriage into contingent dissolubility based

upon whether the spouses continue to act in loving ways toward each other The sacrament's gift of objective indissolubility is thereby undermined Fortunately the main interpreters of *Amoris Laetitia* whose views have been approved by Pope Francis insist that the Apostolic Exhortation does not change the doctrine of marital indissolubility in any way **Engaging the**

Doctrine of Marriage Matthew Levering, 2020-08-12 This book is the next volume in Levering's Engaging Doctrine series The prior volume of the series examined the doctrine of creation The present volume examines the purpose of creation the marriage of God and humans God created the cosmos for the purpose of the marriage of God and his people and through his people the marriage of God and the entire creation Given that the central meaning or prime analogate of marriage is the marriage of God and humankind the study of human marriage needs to be shaped by this eschatological goal and foregrounded as a dogmatic theme After a first chapter defending and explaining the biblical witness to the marriage of God and his people the book explores various themes marriage as an image of God original sin as the fall of the primordial marriage the cross of Jesus Christ and marital self-sacrificial love the procreative and unitive ends of marriage marriage as a sacrament and marriage's importance for social justice and for the upbuilding of the kingdom of God Along the way the book provides an introduction to the key biblical patristic medieval modern and contemporary thinkers and controversies regarding the doctrine of marriage **The Biblical "One Flesh" Theology of Marriage as Constituted in Genesis 2:24**
