Ubiquitous Music Ecologies Victor Lazzarini,Damián Keller,Nuno Otero,Luca Turchet,2020-11-26 Ubiquitous music is an interdisciplinary area of research that lies at the intersection of music and computer science Initially evolving from the related concept of ubiquitous computing today ubiquitous music offers a paradigm for understanding how the everyday presence of computers has led to highly diverse music practices As we move from desktop computers to mobile and internet based multi platform systems new ways to participate in creative musical activities have radically changed the cultural and social landscape of music composition and performance This volume explores how these new systems interact and how they may transform our musical experiences Emerging out of the work of the Ubiquitous Music Group an international research network established in 2007 this volume provides a snapshot of the ecologically grounded perspectives on ubiquitous music that share the concept of ecosystem as a central theme Covering theory software and hardware design and applications in educational and artistic settings each chapter features in depth descriptions of exploratory and cutting edge creative practices that expand our understanding of music making by means of digital and analogue technologies **Airfield Seizure, The Modern 'Key To The Country'** Major Gordon C. Bonham,2014-08-15 This monograph examines the key determinants necessary for the successful forced entry seizure of an airfield The importance of contingency operations is paramount to the United States military as it transitions from forward defense to CONUS based The ability to project power into an isolated objective area requires the rapid deployment and forced entry of a tailored force package For many of our current OPLANS the seizure of an airfield serves as a lodgment area for the introduction of combat power into the objective The success of the entire contingency operation in large part depends upon the successful seizure of the airfield The monograph analyzes three historical cases of airfield seizures using the Wass de Czege combat power model Operation Mercury Crete 1941 Operation Urgent Fury Grenada 1983 and Operation Just Cause Panama 1989 are examples of operations that introduce combat power into the objective area This analysis identifies the key determinants for the successful forced entry seizure of an airfield This study concludes that an airfield seizure is fundamentally a deliberate attack to seize a terrain oriented objective Success is achieved by the synchronization of maneuver firepower and protection by capable leadership However the unique nature of an airfield seizure requires special application of the four elements of combat power to ensure mission accomplishment **Human Rights in Armed Conflict** Gerd Oberleitner,2015-03-05 It is now widely accepted that international human rights law applies in situations of armed conflict alongside international humanitarian law but the contours and consequences of this development remain unclear This book revisits organizes and contextualizes the debate on human rights in armed conflict and explores the legal challenges operational consequences and policy implications of resorting to human rights in situations of inter and intra state violence It presents the benefits and the drawbacks of using international human rights law alongside humanitarian law and discusses how the idea law and policy of

human rights influence the development of the law of armed conflict Based on legal theory policy analysis state practice and the work of human rights bodies it suggests a human rights oriented reading of the law of armed conflict as feasible and necessary in response to the changing character of war Ireland and the European Union Michael Holmes,Kathryn Simpson,2021-11-02 This book examines how Ireland s relationship with the EU was affected by a succession of crises in both the Republic of Ireland and Northern Ireland The financial crisis the Brexit crisis and the migration crisis were not of equal significance on the island of Ireland The financial crisis was a huge issue for the Republic but not Northern Ireland Brexit had a major impact in both polities the migration and populism issues were less controversial while foreign policy challenges had a minimal impact The book provides a summary of the main features of each of the crises to be considered from both the EU and the Irish perspective Ireland and the European Union is the first volume of its kind to provide a comprehensive analysis on British Irish relations in the context of Brexit It assesses the Withdrawal Agreement and Protocol on Ireland Northern Ireland the devolution settlement and the 1998 Agreement as well as the European dimension to Northern Ireland s peace process The contributors explore a number of policy areas that are central to the understanding of each of the crises and the impact of each for Ireland Chapters examine issues such as security migration and taxation as well as protest politics political parties the media public opinion and the economic impact of each of these crises on Ireland s relationship with the EU **Core Curriculum for Forensic Nursing** Bonnie Price,Kathleen Maguire,2015-10-06 The International Association of Forensic Nurses has developed The Core Curriculum for Forensic Nursing First Edition for nurses who aim to work in and gain certification in the field The book is well illustrated with full cover photographs and images vital to a solid understanding of forensic nursing Written by the world s experts in forensic nursing the Core Curriculum for Forensic Nursing offers a practical organization and writing style to help with subject mastery and retention

Civil Military Operations in the New World John T. Fishel,1997-05-30 Addressing the interaction between military operations and the activities of civilian government agencies intergovernmental organizations IGOs and nongovernmental organizations NGOs during and after conflict this study traces the development of civil military operations from their origin during World War II as Civil Affairs and military government to the present array of civil military operations In so doing it looks closely at the recent cases of Panama Kuwait and southern Iraq the Kurdish rescue mission in northern Iraq Somalia and Haiti Of particular interest is the book s integration of national policy strategy and operations as it looks at the interplay between combat operations and their civil military and political consequences The outcome of the operations considered here suggests a need to look at the organization and planning of military forces in contemporary conflict as well as the integration of nonmilitary players into the game from the start of operations The author concludes that the essence of modern conflict can be found in civil military operations **Transformed Communication Codes in the Mediated World: A Contemporary Perspective** Gürkan, Hasan,Serttaş, Aybike,2023-12-18 Transformed Communication Codes in the Mediated

World A Contemporary Perspective offers a comprehensive exploration of the profound shifts in communication practices catalyzed by the global COVID 19 pandemic This book serves as an essential compendium of research shedding light on the multifaceted implications of these changes across various domains In the wake of the COVID 19 outbreak communication paradigms underwent an unprecedented transformation birthing an urgent need for rigorous research and analysis The book offers a multidimensional lens to explore this transformative period It delves into the immediate effects of COVID 19 on communication practices unraveling how platforms like WhatsApp influenced employee efficiency and how medical professionals navigated delicate conversations with patients in the pandemic s aftermath It also shifts the spotlight onto the evolving media landscape dissecting changes in film production advertising campaigns and the very nature of media itself As a vital resource for educators scholars and students it offers a repository of case studies theoretical insights and practical implications From examining communication practices within the pandemic era to exploring novel media dynamics this book casts a wide net capturing the essence of an era marked by unprecedented global change *Substance Abuse Treatment: Addressing the Specific Needs of Women* , **British-Irish Relations in the Twenty-First Century** Etain Tannam,2024-11-15 The Brexit referendum and its aftermath placed Northern Ireland and the question of a United Ireland in the public eye The constitutional question was successfully put on hold when the Belfast Good Friday Agreement was reached in 1998 British Irish Relations in the Twenty First Century examines the impact of the Belfast Good Friday Agreement and Brexit on Northern Ireland and British Irish relations from 1998 to 2023 highlighting the Agreement s successes but also its failures Tannam explores the challenges posed by a possible referendum on a United Ireland and emphasises the need to implement the Agreement s three strands In particular the book argues that the governments weak guardianship of the Agreement contributed to its limitations Tannam concludes that a joint intergovernmental strategy will be needed to manage identity politics especially given the possibility of a future referendum on a United Ireland *From the beginning to the age of Henry VIII, by Richard Garnett.-v. 2. From the age of Henry VIII to the age of Milton, by Richard Garnett and Edmund Gosse.-v. 3. From Milton to Johnson, by Edmund Gosse.-v. 4. From the age of Johnson to the age of Tennyson, by Edmund Gosse* Richard Garnett,1903 *English Literature: From the beginning of the age of Henry VIII, by Richard Garnett* Richard Garnett,1903 Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All

three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions Encyclopedia of Sustainable Management Samuel Idowu,René Schmidpeter,Nicholas Capaldi,Liangrong Zu,Mara Del Baldo,Rute Abreu,2023-11-21 This encyclopedia is the most comprehensive and up to date source of reference for sustainability in business and management It covers both traditional and emerging concepts and terms and is fully international in its scope More than 700 contributions of internationally renowned experts provide a definitive access to the knowledge in the area of sustainable and responsible management All actors in the field will find reliable and up to date definitions and explanations of the key terms and concepts of management in this reference work The Encyclopedia of Sustainable Management represents all aspects of management and business conduct It takes sustainability as a management concept that gives due credit to the complexity and diverging constraints in which businesses and corporations act today and it emphasizes and focuses approaches that help ensure that today s management decisions and actions will be the basis for tomorrow s prosperity *Medical Assistance in Dying (MAID) in Canada* Jaro Kotalik,David W. Shannon,2023-07-25 This book written both for a Canadian and an international readership provides a multidisciplinary review of the framework and performance of the Canadian Medical Assistance in Dying MAID program In the first five years 2015 2021 of operation this program delivered voluntary euthanasia and assistance in suicide to over 30 000 Canadian residents presently representing a 30% annual growth Looking back on these first five years the 30 Canadian scholars and clinicians contributing to this volume raise important issues and attempt to answer key questions that have arisen in regards to its operation and its stated objectives This volume strikes the most appropriate balance between the autonomy of persons who seek medical assistance versus the interests and protection of vulnerable persons Finally the book makes suggestions on how the program can presently be improved It identifies gaps in knowledge about MAID s operational program and its impact on individuals families and society in order to stimulate the necessary research that is essential to the evolution of a healthy and well balanced program As a first comprehensive examination of medically assisted deaths in Canada this publication will be of great value to lay professional academic political audiences both domestically and internationally especially in jurisdictions that are examining their options of permitting assisted deaths **Encyclopedia of Conflicts since World War II** James Ciment,Kenneth Hill,2012-12-06 This copiously illustrated A Z reference presents the most in depth information available about the various conflicts the world has endured local regional and international since World War II Some 142 conflicts are discussed and analyzed The Encyclopedia
