COMMAND AUTHORITY featuring Jack Ryan **China: Promise or Threat?** Horst Jürgen Helle, 2017-04-11 In China Promise or Threat Helle compares the cultures of China and the West through both private and public spheres For China the private sphere of family life is well developed while behaviour in public relating to matters of government and the law is less reliable In contrast the West operates in reverse The book's twelve chapters investigate the causes and effects of threats to the environment military confrontations religious differences fundamentals of cultural history and the countries' orientations for finding solutions to societal problems all informed by the Confucian impulse to recapture the lost splendour of a past versus faith in progress toward a blessed future The West has promoted individualism while China is locked in its kinship society

A COMPENDIUM OF CLASSIC AND POSTMODERN NOVEL SUMMARIES Vivian Siahaan, 2019-08-03 This book is comprised of a compendium of summaries from all novels that I have read for almost twelve years Obviously the summaries have been documented on my blog since 2016 and seemingly in my opinion it is better bundled in a book form since the statistic views show that the classic fictions are those among most read so I rose to comply with that demand The purpose for which I devote myself to compose 85 summaries is to provide quick reading for novel readers and students Numerous genres are presented because I am quite conscious those will bequeath you an imaginative horizon As a work of art many of them transcend their expiatory aspects And still more important to us than scientific significance and literary worth is the inspirational impact those novels have on serious readers Finally happy reading and I hope you will find this book useful
