Practice with Level 1 Level 2 Practice Papers      **Reflecting on The Bell Jar** Pat Macpherson, 2024-12-06 In the 1950s America was in the grip of Cold War paranoia and McCarthyism Communism and gender maladjustment were twin threats to the social ideals of family and security Yet previous readings of Plath and her heroine have ignored much of the social context of this era *Reflecting on The Bell Jar* first published in 1991 acknowledges this repressive post war regime of social hygiene Pat Macpherson's reading takes into account the fundamental rearrangement of the social contract between citizen and state built on the newly made connections between national security and mental health She investigates the trial of the Rosenbergs and its connections with the electrotherapy Plath and her heroine both experience Macpherson also evaluates the coercive effects of society's self imposed inquisitorial attitude of surveillance and explores its role in forming female identity Esther Greenwood says Macpherson is the first heroine of our own era of popularized therapeutic culture As challenging and thought provoking as the novel itself this book provides a new approach to one of feminism's most difficult heroines It will be a fascinating read for students of women's studies literature and cultural studies and for all those intrigued by the writings of Sylvia Plath      *Wild Mother Dancing* Di Brandt, 1993-09-15 *Wild Mother Dancing* challenges the historical absence of the mother who as subject and character has been repeatedly suppressed and edited out of the literary canon In her search for sources for telling the new or old forbidden story against a tradition of narrative absence Brandt turns to Canadian fiction representing a variety of cultural traditions Margaret Laurence Daphne Marlatt Jovette Marchessault Joy Kogawa Sky Lee and a collection of oral interviews about childbirth told by Mennonite women The results broaden enrich and finally recover the motherstory in ways that have revolutionary implications for our institutions and imaginations      **Working Mother**, 2007-02 The magazine that helps career moms balance their personal and professional lives      *Women's Bible Commentary* Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller *Women's Bible Commentary* an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies      *Mother Without Child* Elaine Tuttle Hansen, 1997-01-01 This is a conceptually innovative book which expands the meaning of motherhood to include mothers without child it is also a compassionate political book which refuses the boundary between good enough and bad mothers *Mother Without Child* is an engaging witty and provocative literary study which should fascinate anyone who is interested in mothering or in looking for new ways to talk about motherhood without erasing some women's experience or dividing mothers from each other Sara Ruddick author of *Maternal Thinking Toward a Politics of Peace* Hansen positions her study in a genuinely new space taboo

ground which demands not only a great deal of courage to address but also enormous intelligence and insight Hansen is up to this task hers is a pioneer study that will have a significant impact on the ways that non procreative motherhood is discussed and understood Madelon Sprengnether author of *The Spectral Mother* Freud Feminism and Psychoanalysis Since the beginnings of the second wave of feminism in the 1960s feminist scholars have been obsessed with motherhood *Mother Without Child* takes us to the next stage in this fascinated and fascinating exploration Through illuminating readings of contemporary stories of thwarted motherhood Hansen challenges the persistent and constraining definitions of the good and even the good enough mother She enjoins us to listen to the moving devastating and often inspiring stories of mothers who survive the loss of their children and she urges us to find there not the angry voices of feminist daughters who cannot forgive their patriarchal mothers but alternative stories of a different maternity that can lead us to alternative plots and visions of women s lives We need this book Marianne Hirsch author of *The Mother Daughter Plot* Narrative Psychoanalysis Feminism A careful committed and freshly clarifying voice Hansen s graceful prose and finely interwoven explorations are much needed at this time Through readings of contemporary fiction she enriches our vocabulary for discussing the overdetermined topic of motherhood and deepens our understanding of both its psychological and contemporary political dimensions *Mother Without Child* is a book for historians and social scientists as well as literary scholars Laura Doyle author of *Bordering on the Body* *The Racial Matrix of Modern Fiction and Culture*
