The Law of All Things H.Y. Kim, 2021-09-14 All things reflect the nature of numbers Every number has its own wavelength and spin which is reflected in the properties of all things including light and sound The original Big Bang starting point Light_Sound_Element1 is the basis of all things in the universe Light_Sound_Element1 gave birth to seeds of light and sound and the seeds of light and sound gave birth to all things and life did not evolve from nonliving things but from the seeds of light and sound there were already seeds of life and nonliving things Life or inanimate beings are bound to perish but all of them strive to exist forever The only way to do that is to preserve one's mass by becoming dark matter The owner of a creature is not a gene but a creature The body of all living things dies but the soul seeks to preserve its mass in the state of dark matter and achieve its purpose of surviving forever In addition to the mechanism of light and sound the Great Pyramid is another evidence of the law of all things built by a superhuman being to convey a message about the soul to humans

Revelation Rob Dalrymple,2024-06-27 Could the cry Come out of her My people Rev 18 4 not be needed more today than it was when John penned the Apocalypse The book of Revelation begins and ends with the affirmation that God is the world s true Lord not Caesar In telling this story John lays out for us the fact that Christ s kingdom is not like the kingdoms of the world The kingdoms of the world rule by force and at the expense of the masses and for the benefit of those in power Jesus s kingdom however comes through love In Christ s kingdom power is demonstrated by laying down one s life for one s enemies Jesus of course demonstrated this kind of love on the cross and he calls us to do the same We have nothing to fear After all Jesus was dead and now he is alive and he has the keys to Death and Hades Unfortunately many interpreters have come to believe that the devastation and destruction depicted in the book of Revelation in particular in the accounts of the Seven Seals and the Seven Bowls are God s end times wrath But have we ever stopped to consider that this portrait of God is fundamentally at odds with the gospel And with Jesus s call for us to love one another even as he loved us The book of Revelation tells a different story
