National Healing, Integration and Reconciliation in Zimbabwe Ezra Chitando, 2019-12-06 This book brings together scholars from diverse backgrounds to provide interdisciplinary perspectives on national healing integration and reconciliation in Zimbabwe Taking into account the complex nature of healing across moral political economic cultural psychological and spiritual dimensions of communities and the nation the chapters discuss approaches disparities tensions and solutions to healing and reconciliation within a multidisciplinary framework Arguing that Zimbabwe's development agenda is severely compromised by the dominance of violence and militancy the contributors analyse the challenges possibilities and opportunities for national healing This book will be of interest to scholars of African studies conflict and reconciliation and development studies

Borders and Healers Tracy J. Luedke, Harry G. West, 2006 In southeast Africa the power to heal is often associated with crossing borders whether literal or metaphorical This wide ranging volume reveals that healers whose power depends on the ability to broker therapeutic resources also contribute to the construction of the borders they transgress While addressing diverse healing practices such as herbalism razor blade vaccination spirit possession prophetic healing missionary health clinics and traumatic storytelling the nine lively and provocative essays in *Borders and Healers* explore the creativity and resilience of the region's healers and those they heal in a world shaped by economic stagnation declining state commitments to health care and the AIDS pandemic This important book contributes to understandings of the ways in which healing practices in southeast Africa mediate divides between the wealthy and the impoverished the traditional and the modern the local and the global

The SAGE Encyclopedia of Pharmacology and Society Sarah E. Boslaugh, 2015-09-15 The SAGE Encyclopedia of Pharmacology and Society explores the social and policy sides of the pharmaceutical industry and its pervasive influence in society While many technical STM works explore the chemistry and biology of pharmacology and an equally large number of clinically oriented works focus on use of illegal drugs substance abuse and treatment there is virtually nothing on the immensely huge business Big Pharma of creating selling consuming and regulating legal drugs With this new Encyclopedia the topic of socioeconomic business and consumer and legal and ethical issues of the pharmaceutical industry in contemporary society around the world are addressed Key Features 800 signed articles authored by prominent scholars are arranged A to Z and published in a choice of electronic or print formats Although arranged A to Z a Reader's Guide in the front matter groups articles by thematic areas Front matter also includes a Chronology highlighting significant developments in this field All articles conclude with Further Readings and Cross References to related articles Back matter includes an annotated Resource Guide to further research a Glossary

Appendices e.g. statistics on the amount and types of drugs prescribed etc and a detailed Index The Index Reader's Guide and Cross References combine for search and browse capabilities in the electronic edition The SAGE Encyclopedia of Pharmacology and Society is an authoritative and rigorous source addressing the pharmacology industry and how it influences society making it a must have reference for all academic libraries as a source for both students and researchers to utilize
