Wire A One Year Twice A Week Devotional For Busy Men:

Invention Justin Camp, 2019-09-01 The universe's Inventor designed us like he did the world with passion and precision and purpose He made us for confidence and significance joy and relationship He made us to be part of something massive and majestic to contribute to his work of remaking this world and to play vital parts in his Kingdom But we have a vicious enemy hell bent on thwarting us Our enemy spins lies that convince us into distraction and dependence on alcohol drugs pornography success at all cost But Jesus said I came so they can have real and eternal life more and better life than they ever dreamed of MSG John 10 10 He said that about us Invention is an invitation to join a band of renegades and revolutionaries change makers and troublemakers men who won't be daunted because they know there is more It's a guide for living finally with depth and purpose It will expose the lies that obscure God's intent and will help reveal His design for your life There is so much more Come and see

WiRE Justin Camp, 2017-05 When we men are out in the world during the workweek in our jobs at our workplaces on planes in hotels often disconnected from God we're a bit like men out in the wilderness alone The ruler of this world is our enemy John 12 31 John 14 30 1 John 5 19 It can often be therefore unfriendly and unforgiving dangerous even a place where we must fight to survive But we aren't alone God offers himself more abundantly than all that we ask or think Ephesians 3 20 21 He offers all of himself all the time as much as we want as much as we choose And we must choose him You see we face important decisions Can we reconcile our work lives with our faith Are we the leaders at home that our families need us to be Are we becoming the men that God intends us to become In order to answer these questions and others we need God's truth in our lives We need his help There's tension of course We're busy We're busy fighting for survival Our days are filled with meetings calls commutes travel activities with kids social activities So while we know the power of living within God's truth our busyness makes it hard Hearing a sermon on Sunday is absolutely necessary but it's not enough We men need new purpose built ways of bringing God into Monday thru Saturday too WiRE is one of those ways The sole purpose of this book is to give men a way to choose God right in the middle of the busyness The sole purpose of this book is to be like the mail plane or the telegraph wire of old a mode of communication that penetrates deep into the wilderness reaching men right where they are right where they spend their days
