to follow Christ in their everyday lives and a greater appreciation for God's Word Includes CD ROM *Leave a Footprint - Change The Whole World* Tim Baker, 2009-05-26 You are here for a reason God is calling you to reshape the planet to help change it for the better But if you're like most people you'll spend years searching out why God made you the way he did and never really uncover God's beauty in you and ultimately never realize why God created you Some people believe that when it comes to God's Will in your life there's only one answer Well inside the pages of this book you'll discover that God has definitely created you for a purpose but that purpose isn't an occupation set in stone for the rest of your life Take the time to find out what it means for you to leave a footprint The marks you leave on this world could make all the difference Inside you'll explore Who am I really What gifts and skills do I have You'll look deep inside your emotions your personality and abilities to understand how God has uniquely gifted you to make a difference on Planet Earth What do I dream about You'll look at what your heart longs to do and you'll learn that what you dream about is probably something God has placed in you God has given you passions will you use them for his glory Why am I here You'll discover your life purpose and look into the things you think God may be calling you to do And you'll be challenged to use who you are in the world right now So take off your shoes and step out in faith You'll find out what it means for you to leave your footprint in your world today and what it could mean for your future **I AM Standing Up** Luke Lang, 2009-05-26 Maybe you have days when you don't feel so good about yourself You're not as tall or thin as you'd like or maybe you don't quite fit in or you just get left out Well you'll start to feel a lot better about yourself once you start reading about Luke Luke Lang calls himself a freak of nature He's a grown man who is the height of an average fifth grader but that's not what makes him a freak He's also about as wide as the average Sumo wrestler but sadly too uncoordinated to actually compete as a Sumo wrestler Luke knows what it's like to feel left out or left behind But he's got a great sense of humor about his life's misadventures and he's sharing the hysterical stories with you in the hopes that you'll feel encouraged not just because you're not as freaky as Luke but because you'll see that God can do extraordinary things through people who are pretty ordinary While you're reading Luke's embarrassing stories like the time he got beat up by a girl in Karate class or the time he was fighting for his life at Boy Scout camp you'll learn a little about God's love and grace and you'll be reminded that you were created on purpose for a purpose
