Wisdom Seeds Words with Wings Publishing Company,2005-12 **Pieces** Patrice Wade Johnson,2021-06-04 By the time she was eight Lundyn knew that important things get broken She spent years trying to forget the missing fragments until she realized that restoration or just the attempt is necessary She learned that scattered pieces can take years to find and to be extra careful picking up the jagged edges She also learned that shattered things are often more resilient than we imagine Pieces is Lundyn s journey as she discovers that a stained glass window is merely a collection of broken pieces that tells a new story and gives the illusion that the thick black lines holding it together is intentional **Wisdom Seeds** Patrice Wade Johnson,2016-11-30 As a child Danielle Allen s Nana planted wisdom seeds in her heart After the betrayal of a lover the disapproval of her father the death of her husband and a secret from her past Dani wondered if those seeds would ever sprout into something more than anecdotal stories told by her grandmother When the secret is revealed Dani discovers how life has watered the wisdom seeds Her faith and the fruit of her Nana s words provide the courage to face the truth so the wisdom seeds could bloom *Dream Big* Patricia King,2011-07-28 At middle age you are only half finished with God s plan for you All the hard lessons you learned in the first half of your life serve as a springboard for the fulfillment of your dreams in the second half Is middle age the beginning of the end or the beginning of the better half of life Author Patricia King debunks the myths that are constantly thrown by the media that only the youthful are relevant in the world I was soon turning 40 years of age and I had already fulfilled all my life s goals and dreams But where should I go from here Is there anything left to experience I dreaded waking up the morning of my 40th birthday But when I realized that half of my life was yet to be lived I determined that it would be the best half Life does not end at 40 60 or 80 it flourishes and gains momentum as you recognize the destiny God designed for all of your days Start today living the better half of life **The Power of Generosity** Boyd Bailey,2025-09-02 Reap the rewards of a generous life Our materialistic world says that amassing wealth leads to happiness but in God s kingdom true fulfillment and joy are found in selflessness in dedicating your life to God and others You don t need earthly possessions to experience an abundant life Beyond charity generous living is about cultivating a humble heart that seeks to serve and bless others with whatever resources you have Through biblical principles and prayers real life stories of radical generosity and a helpful discussion guide Boyd Bailey takes you on a journey of cheerful surrender and creative giving The Power of Generosity will equip you to align your desires with the Lord s trust God in poverty and prosperity reflect the Father s love and forgiveness nurture your relationships and encounter God like never before Stand in Faith Nathalie Nérée, PhD,2016-08-08 In this collection of 365 inspirational messages you will find daily words to encourage you Each message will bring you hope strengthen your faith and deepen your trust in God Whether you are in a season of triumph or challenge there is a message for you to give you a new perspective to invoke your divinity and to bring you inexplicable peace Stand in Faith will help you in your spiritual journey and remind you of Gods perfect love for
