D. Robichaux,2015-01-14 Book Description Kayla s Chick Rant Book Blog Blog Post 1 17 15 My name is Kayla and I m a blogger who believes in fairy tales Through the anonymity of my blog along with my reviews of the steamy novels I like to read I tell the stories of my own search for love No matter how disastrous they turn out and believe me you will ask yourself Did that really happen I never gave up knowing my soul mate was out there somewhere When my big brother invited me to move to

Houston for a semester of college I jumped at the opportunity to leave my small hometown to see what it was like to live in a big city Having no friends and not knowing where to go I met a guy online and met up with him that night Because YOLO right Turns out he was an okay guy Not The One but still a good enough guy to spend time with But then he introduced me to his best friend Jason and my world tilted on its axis The dark tough tatted up guy who was too broody for his own good captivated me But he made it perfectly clear I wasn't his type

Author's Note The Blogger Diaries Trilogy is the true story of how I met fell for lost and got a second chance at love with my soul mate The names of everyone EXCEPT me Jason my family and my best friend have been changed to protect their identities Full of youthful stupidity leading to bad decisions and lots of angst it is a real life story where inevitably things are messy No one can look back at their late teens and early twenties and not think of moments that make them ask What the hell was I thinking Every second of this trilogy is true exactly as it happened The first book Wished For You is a tale of finding the one too early and then having to let them go PLEASE NOTE This is a true trilogy meaning the first two books END ON CLIFFHANGERS But if you take the journey with me in the end I promise you a happily ever after you will never forget I know I won't
