EXECUTIVE ORDERS AND
PRESIDENTIAL POWER

With a new preface by the author

Kenneth R. Mayer

With The Stroke Of A Pen Executive Orders And Presidential Power

**R. A. W. Rhodes, Sarah A. Binder, Bert
A. Rockman**

With The Stroke Of A Pen Executive Orders And Presidential Power:

With the Stroke of a Pen Kenneth R. Mayer, 2002-09 Throughout the nation's history executive orders have allowed presidents to make momentous unilateral policy choices creating and abolishing executive branch agencies reorganizing administrative and regulatory processes handling emergencies and determining how legislation is implemented From the Louisiana Purchase to the Emancipation Proclamation from Franklin Roosevelt's establishment of the Executive Office of the President to Bill Clinton's authorization of loan guarantees for Mexico from Harry Truman's integration of the armed forces to Ronald Reagan's seizures of regulatory control American presidents have used executive orders or their equivalents to legislate in ways that extend far beyond administrative activity By analyzing the pattern of presidents use of executive orders and the relationship of those orders to the presidency as an institution Mayer describes an office much more powerful and active than the one depicted in the bulk of the political science literature publisher **Presidential Power** Matthew A. Crenson, Benjamin Ginsberg, 2007 This book explores how American presidents especially those of the past three decades have increased the power of the presidency at the expense of democracy New Directions in the American Presidency Lori Cox Han, 2023-02-21 The third edition of *New Directions in the American Presidency* provides important updates on all topics throughout the text including new and relevant literature across the subfield of presidency studies within political science Significant changes have occurred within the political environment since the publication of the second edition Many scholars refer to the Trump presidency as a disruption to the political order and each chapter will assess the lessons and legacies of the Trump years and analyze how the Biden presidency is faring in the return to a more traditional style of presidential leadership New to the Third Edition Updated chapter on the 2020 presidential campaign and aftermath Assessment of the Trump years Presidential powers and management of executive branch use of social media relationship with Congress relationship with political parties public opinion domestic and foreign policy Supreme Court appointments Two new chapters unitary powers and intersectionality and the presidency **The Powers of the Presidency**, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition *Tough Times for the President*, *The Oxford Handbook of Political Institutions* R. A. W. Rhodes, Sarah A. Binder, Bert A. Rockman, 2008-06-12 The study of political institutions is among the founding pillars of political science With the rise of the new institutionalism the study of institutions has returned to its place in the sun This volume provides a comprehensive survey of where we are in the study of political institutions covering both the traditional concerns of political science with constitutions federalism and bureaucracy and more recent interest in theory and the constructed nature of institutions The Oxford Handbook of Political Institutions draws together a galaxy of distinguished contributors drawn from leading universities across the world Authoritative reviews of the literature and assessments of future research directions will help to set the research agenda for the next decade

Lincoln's Last Card Richard J. Ellis, 2025-02-25 There is a certain comfort in being able to see Lincoln or any president simply as either a hero or a villain. The truth however is more complicated. Lincoln's Last Card helps us look beyond the myths to see Lincoln as the flawed and consequential leader that he was. Few presidential edicts are more famous or misunderstood than the Emancipation Proclamation. The traditional myth about the proclamation is that President Lincoln freed the slaves with a bold stroke of his pen. This popular understanding deifies Lincoln as the sagacious Great Emancipator and constructs a narrative of American history centered around the heroic deeds of our great presidents. A more cynical view, bolstered by recent historical examinations of Lincoln's own racial biases, says the proclamation was much ado about nothing, a largely hollow gesture that freed no slaves at all and lacked even a moral indictment of slavery. Both views however see presidential power as largely unrestricted and unilateral so that Lincoln's decisions occur in a virtual vacuum, a timeless display of his moral virtue or lack thereof. Richard Ellis, a veteran scholar of the American presidency, suggests that we look at Lincoln's proclamation through the lens of presidential weakness rather than greatness. To do so, Ellis draws on the work of renowned political scientist Richard Neustadt, who explored three cases of command from the twentieth century in his 1960 work *Presidential Power*. Where the public saw presidential success, Neustadt saw presidents engaged in a painful last resort, suggesting not political mastery but rather the failure to achieve goals through other means. Ellis applies this same perspective to the Emancipation Proclamation, showing how Lincoln's great success was in fact his last card. Lincoln's original hope was to persuade the border states to endorse his plan for gradual compensated abolition, preferably coupled with some level of voluntary colonization. Contrary to conventional wisdom and in contrast to Lincoln's reputation as the greatest presidential orator, Ellis shows how the Emancipation Proclamation was a sign of Lincoln's failure to persuade. [The Obama Presidency](#) Robert P. Watson, Jack Covarrubias, Tom Lansford, Douglas M. Brattebo, 2012-04-11 Barack Obama's presidency is a pivotal one in American history, coming at a time of dramatic political change in the United States and amidst an astonishing array of domestic and foreign policy challenges. Not surprisingly then, the Obama administration has been the focus of intense scrutiny by scholars, the press, and the public, and rarely has the tone of political discourse been more polarized and emotionally charged. In this book, a distinguished group of scholars offers an objective and timely examination of the Obama administration: Obama's character, leadership style and rhetoric, and his domestic, foreign, and national security policies. Engaging, lively, and highly readable, each essay offers important insight into this historic president and presidency.

Executing the Constitution, [Debating the Presidency](#) Richard J. Ellis, Michael Nelson, 2017-01-02 Editors Richard J. Ellis and Michael Nelson have once again assembled a cadre of top presidential scholars to offer a series of pro/con essays that will inspire spirited debate in *Debating the Presidency*. *Debating the Presidency: Conflicting Perspectives on the American Executive*, Fourth Edition, offers a compelling yet concise view of contemporary topics relevant to the American executive. Each pair of debate/resolution style essays is written specifically for this volume and offers a compelling yet

concise view of a topic relevant to the American executive Editors Richard Ellis and Michael Nelson offer brief chapter introductions that provide context In this edition several new arguments are presented on topics such as executive orders Pro Gene Healy Con Andrew Rudalevige abolishment of the vice presidency Pro Douglas L Kriner Con Joel K Goldstein and the effect of new media on the public s view of the presidency Pro Matthew R Kerbel Con Jeffrey E Cohen

This is likewise one of the factors by obtaining the soft documents of this **With The Stroke Of A Pen Executive Orders And Presidential Power** by online. You might not require more become old to spend to go to the ebook establishment as without difficulty as search for them. In some cases, you likewise get not discover the message With The Stroke Of A Pen Executive Orders And Presidential Power that you are looking for. It will entirely squander the time.

However below, behind you visit this web page, it will be therefore completely easy to get as without difficulty as download guide With The Stroke Of A Pen Executive Orders And Presidential Power

It will not consent many grow old as we tell before. You can do it even if achievement something else at home and even in your workplace. correspondingly easy! So, are you question? Just exercise just what we pay for below as competently as evaluation **With The Stroke Of A Pen Executive Orders And Presidential Power** what you later than to read!
