With Two Oars Reflections On Sculling:

With Two Oars William Braxton Irvine, 2013-05-01 WITH TWO OARS explores the art and science of sculling Written with intermediate and advanced intermediate rowers in mind it addresses questions any thoughtful rower will want answered including these What is boat set and why is it important Who is smarter rowers or their oars How can you avoid splashing at the catch How can you row with your ears Where should your foot stretchers be set What role does hydrodynamic lift play in sculling Should your hands be symmetrical at the catch Why should strong rowers care about form With Two Oars William Irvine, 2015-02-27 WITH TWO OARS explores the art and science of sculling Written with intermediate and advanced intermediate rowers in mind it addresses questions any thoughtful rower will want answered including these What is boat set and why is it important Who is smarter rowers or their oars How can you avoid splashing at the catch How can you row with your ears Where should your foot stretchers be set What role does hydrodynamic lift play in sculling Should your hands be symmetrical at the catch Why should strong rowers care about form The Boy's Book of Sports, Games, Exercises, and Pursuits, 1869 *The Impact of Technology on Sport II* Franz Konstantin Fuss, Aleksandar Subic, Sadayuki Ujihashi, 2007-10-11 Sport technology has to be seen from the holistic as well as inter and transdisciplinary point of view Product development requires close collaboration between engineers athletes sports scientists and business managers It requires an in depth understanding of engineering disciplines life and sport sciences as well as economics The Impact of Technology on Sport II has in its core precisely this philosophy and approach It aims to provide a deeper insight into the current status of sports technology and to present recent developments in this area from the perspective of different disciplines industrial practice academia and athletes This book brings together work from researchers around the world and in particular from the Asia Pacific region Most sport technologies are covered including equipment and materials in various ball sports golf cricket baseball soccer tennis etc water sports athletics winter sports mountaineering motor sports and martial arts The different technological areas extend to design dynamics vibrations and control aerodynamics instrumentation and measurements modelling simulation and optimisation biomechanics and human performance sports medicine coaching and sports education **A Record of Thoughts on Religious Political Social and Personal Subjects** J. B. Waring, 2023-07-15 Reprint of the original first published in 1873 The Art of Sculling Joe Paduda, 1992 The Art of Sculling provides novice and experienced scullers with a comprehensive illustrated guide to the equipment techniques and physiology of the sport Beginners will find step by step instructions and photographs for launching and rigging a boat and developing the proper sculling stroke Experienced rowers will find guidelines for developing training programs Other chapters cover advanced technique racing sculling in team boats safety and sculling for the more mature **Yachting**, 1983-08 **Rowing Against the Current** Barry Strauss, 2001-04-17 In the midst of the standard dreary midlife crisis complete with wine tasting courses yoga classes and a failed attempt at a first novel forty year old Barry Strauss falls

unexpectedly and passionately in love with rowing a sport in which a twenty seven year old is a has been Strauss a professor of classics and history writes about the unanticipated delights of an affair that like so many others begins as a casual dalliance and develops into a full blown obsession Drawn to the sport in part because of his affinity for Greek antiquity he develops a love for old boathouses a longing for rivers at dawn a thirst to test himself and ultimately a renewed sense of self reliance as someone who had experienced sports humiliation as far back as Little League suddenly finds himself bursting into athleticism at an unlikely age From the awe inspiring feats of the war bound Greek triremes with their crews of 172 men rowing on three levels to the solitary pride of finishing a first race in which he gets stuck in the weeds and has to be fished out Barry Strauss shows us why there is nothing absolutely nothing half as much worth doing as simply messing about in boats

A record of thoughts on religious, political, social, and personal subjects, from 1843 to 1873; to which is added 'The story of the king's son'. John Burley Waring, 1873
