

Advanced Dungeons & Dragons®

Wizard's Challenge II

by Kevin Melka

There is trouble in the frontier town of New Haven. A beast from the Badlands is terrorizing the simple farmers, and reports say the creature is immune to the local militia's weapons. The baron of the land has called upon a wizard to solve what his soldiers could not. Can the skills of one player character wizard let him find and kill what a contingent of skilled warriors could not?

Wizard's Challenge II is an Advanced Dungeons & Dragons® adventure designed for a Dungeon Master and one player character wizard. This adventure is the sixth in a series of adventures focusing on an individual character away from a regular campaign. A character will need all of the knowledge and skills available only to a wizard if he is to succeed.
