The Cambridge Guide to Women's Writing in English Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re reading of women s writing that has gone on in the last twenty five years This is an opportunity for stock taking a timely project when so much writing has been rediscovered reclaimed and republished There are entries on writers on individual texts and on general terms genres and movements all printed in a single alphabetical sequence The earliest written documents in medieval English the visionary writings of Julian of Norwich and Margery Kempe are covered in an historical and geographical sweep that takes us up to the present day The book reflects the spread of literacy the history of colonisation and the development of post colonial cultures using and changing the English language The entries are written by contributors from all the countries covered The result is a work of reference with a unique feeling for the vitality wealth and diversity of women s writing [The Everything Guide to Writing a Romance Novel](#) Christie Craig, Faye Hughes, 2008-08-17 Every year thousands of romance manuscripts are submitted to publishers but only the best are eventually published This simple guide written by two awardwinning romance novelists will show readers what it takes to break into this highly competitive market and will provide them the information they need to get their manuscript out of the slush pile and onto the bookshelf Readers will learn how to do the following techniques build a story from premise to plot add a fresh twist to a classic storyline create compelling characters write sizzling sex scenes that carry an emotional punch research agents and markets write a story that an editor can t reject and promote themselves and their work New writers and even experienced writers will find the solid howto information here invaluable This is a musthave for aspiring writers who want to write the perfect love story **American Women Writing Fiction** Mickey Pearlman, 2021-03-17 American literature is no longer the refuge of the solitary hero Like the society it mirrors it is now a far richer many faceted explication of a complicated and diverse society racially culturally and ethnically interwoven and at the same time fractured and fractious Ten women writing fiction in America today Toni Cade Bambara Joan Didion Louise Erdrich Gail Godwin Mary Gordon Alison Lurie Joyce Carol Oates Jayne Anne Phillips Susan Fromberg Schaeffer and Mary Lee Settle represent that geographic ethnic and racial diversity that is distinctively American Their differing perspectives on literature and the

American experience have produced Erdrich's stolid North Dakota plainswomen Didion's sun-baked dreamers and screamers the urban ethnics Irish Jewish and black of Gordon Schaeffer and Barbara Oates's small town often violent neurotics Lurie's intellectual sophisticates and the southern survivors and victims male and female of Phillips Settle and Godwin The ten original essays in this collection focus on the traditional themes of identity memory family and enclosure that pervade the fiction of these writers The fictional women who emerge here as these critics show are often caught in the interwoven strands of memory perceive literal and emotional space as entrapping find identity elusive and frustrating and experience the interweaving of silence solitude and family in complex patterns Each essay in this collection is followed by bibliographies of works by and about the writer in question that will be invaluable resources for scholars and general readers alike Here is a readable critical discussion of ten important contemporary novelists who have broadened the pages of American literature to reflect more clearly the people we are

Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest Included are alphabetically arranged reference entries on significant authors along with works themes and other topics The articles are written by scholars librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject An index provides easy access to information within the entries and bibliographies at the end of each entry a general bibliography and a suggested romance reading list allow for further study of the genre

British Women's Writing from Brontë to Bloomsbury, Volume 2 Adrienne E. Gavin, Carolyn W. de la L. Oulton, 2020-08-26 This five volume series *British Women's Writing From Brontë to Bloomsbury 1840-1940* historically contextualizes and traces developments in women's fiction from 1840 to 1940 Critically assessing both canonical and lesser known British women's writing decade by decade it redefines the landscape of women's authorship across a century of dynamic social and cultural change With each of its volumes devoted to two decades the series is wide in scope but historically sharply defined Volume 2 1860s and 1870s continues the series by historically and culturally contextualizing Victorian women's writing distinctly within the 1860s and 1870s Covering a range of fictional approaches including short stories religiously inflected novels and comic writing the volume's 16 original essays consider such developments as the sensation craze the impact of new technologies and the career opportunities opening for women Centrally it reassesses key nineteenth century female authors in the context in which they first published while also recovering neglected women writers who helped to shape the literary landscape of the 1860s and 1870s
