Women And Power In Postconflict Africa Cambridge Studies In Gender And Politics:

Women and Power in Post-Conflict Africa Aili Mari Tripp, 2015-10-20 The book explains an unexpected consequence of the decrease in conflict in Africa after the 1990s Analysis of cross national data and in depth comparisons of case studies of Uganda Liberia and Angola show that post conflict countries have significantly higher rates of women s political representation in legislatures and government compared with countries that have not undergone major conflict They have also passed more legislative reforms and made more constitutional changes relating to women s rights The study explains how and why these patterns emerged tying these outcomes to the conjuncture of the rise of women s movements changes in international women s rights norms and most importantly gender disruptions that occur during war This book will help scholars students women s rights activists international donors policy makers non governmental organizations NGOs and others better understand some of the circumstances that are most conducive to women s rights reform today and why

The Oxford Handbook of Gender and Conflict Fionnuala Ní Aoláin, Naomi R. Cahn, Dina Francesca Haynes, Nahla Valji, 2018 The authors focus on the multidimensionality of gender in conflict yet they also prioritise the experience of women given both the changing nature of war and the historical de emphasis on women s experiences **Women and**

Peacebuilding in Africa Ladan Affi, Liv Tønnessen, Aili Mari Tripp, 2021 Even in the best of circumstances women are all too often excluded from formal peacemaking and peacebuilding processes and relegated to the sidelines as observers or limited to informal peacebuilding strategies Yet there is enormous potential in these strategies as women often strive to build bridges across political ethnic religious clan and other differences through alliances arising from common concerns around violence land access to resources and protection of their families and communities and address sources of conflict at both national and local levels Drawing on cutting edge research by scholars and women s rights activists in South Sudan Sudan Algeria northern Nigeria and Somalia this book focuses on the consequences of the continuing exclusions of women from peace talks and from post conflict governance structures The case studies reveal how peacebuilding is gendered and why this matters in developing meaningful and sustainable approaches to peacebuilding Examining how women activists have made a difference through informal peacebuilding activities the contributors explore women s efforts to reshape the post conflict context by struggling for legislative and constitutional reforms and by advocating for political representation and political inclusion more generally within peacebuilding processes They also look at how women have pushed back against the conservative Islamist forces that today dominate much armed conflict in Africa Suggesting that women s formal participation in peace negotiations is vital in bringing about an end to conflict and preventing its resumption as well as the one of the most effective strategies this book will be essential reading for scholars and NGOs involved in development conflict resolution and peacebuilding **Handbook on Gender and Security** Jutta Joachim, Annica Kronsell, Natalia Dalmer, 2025-04-09 This Handbook presents a comprehensive overview of the connections between gender and in security in international relations

Bringing together experts from diverse disciplines it showcases innovative research illustrating how past and recent developments have shaped our understanding of this relationship

Why African Autocracies Promote Women As Leaders Aili Mari Tripp, Vilas Research Professor of Political Science Aili Mari Tripp, 2025-12-15 *Why African Autocracies Promote Women as Leaders* explains how and why authoritarian countries promote women as leaders in Africa The face of African politics has changed significantly since the mid 1990s as more women have entered politics in both democracies and autocracies Women's movements and organizations have successfully lobbied for and won more leadership roles for women in the executive legislature and sub national bodies

Routledge Handbook of Democratization in Africa Gabrielle Lynch, Peter VonDoepp, 2019-07-02 This volume explores the issues and debates surrounding the ongoing processes of democratization in sub Saharan Africa illuminating the central dynamics characterizing Africa's democratic experiments and considering the connections between democratization and economic social and cultural developments on the continent Reflecting the diverse and rich nature of this field of study the Handbook of Democratization in Africa features more than thirty contributions structured into six thematic sections The politics and paths of regime development Institutional dynamics Political mobilization and voting dynamics The politics of identity Social forces from below The consequences of democracy Chapters offer overviews of the key scholarship on particular topics including central insights from the latest research and provide suggestions for those interested in further inquiry The material includes attention to broad cross continental patterns for example with respect to public opinion political violence or the role of different institutions and actors It also includes rich case material drawing on and highlighting the experiences of a diverse collection of countries Encouraging a comprehensive view of key concerns and enhancing understanding of particular issues the Handbook of Democratization in Africa represents a critical resource for experts and students of African politics democratization and African studies

Women, Politics, and Power Pamela Paxton, Melanie M. Hughes, Tiffany D. Barnes, 2025-01-15 *Women Politics and Power* provides a clear and detailed introduction to women's political participation and representation across all branches of government and a wide range of countries and regions Using broad statistical overviews and detailed case study accounts authors Pamela Paxton Melanie M Hughes and Tiffany D Barnes document both historical trends and the contemporary state of women's political strength across diverse countries The text considers experiences of women from a range of marginalized groups including racial ethnic and religious minorities indigenous peoples and those that face discrimination based on their sexual orientation and gender identity Readers will learn about cultural structural political and international influences on women's access to political power about the old and new barriers women continue to face like violence and about the difference women make once in political office Dedicated chapters on six geographic regions highlight distinct influences and patterns in different parts of the world There is simply no other book that offers such a thorough and multidisciplinary synthesis of research on women's political power around the world The fifth edition includes the latest information available on women in politics

around the world including current events as they have unfolded across the globe The newest thinking in the field is presented including on violence against women in politics and intersectional approaches **Women and Politics** Malliga Och,2023-02-14 Focusing on the distinct identities and diverse lived experiences of women in a wide range of countries and cultures this book provides a comprehensive overview of women in local regional and national politics around the world Woman and Politics takes on the historical challenges women have and continue to face and the victories they have achieved in political cultures and structures around the world The introduction walks readers through the key issues pressing concerns and foremost questions that researchers confront in their studies of women in various political roles across the globe The remainder of the book divided into eight chapters covers such topics as women s suffrage the status of women in politics today women as national leaders barriers to women s political representation and others Leading experts and emerging scholars come together in this volume to ask and provide answers to the question of why gender parity is so important in politics They answer that only women who as a group have a distinct identity and lived experiences that differ from men s collective identities and interests can accurately represent themselves both at home and on the world stage

The Oxford Handbook of Gender and Politics Georgina Waylen,2013-04-04 The Oxford Handbook of Gender and Politics brings to political science an accessible and comprehensive overview of the key contributions of gender scholars to the study of politics and it shows how these contributions produce a richer understanding of politics and societies **Gendered Electoral Financing** Ragnhild L. Muriaas,Vibeke Wang,Rainbow Murray,2019-06-19 Illustrated by in depth empirical research from six country studies Gendered Electoral Financing Money Power and Representation in Comparative Perspective is the first cross regional examination of the nexus between money gender and political recruitment across the world Money is assumingly one of the greatest barriers to women in the political recruitment process The financial disadvantage of women is expected to constitute an obstacle for women s entry into politics everywhere and especially in developing countries where women s socio economic status is disproportionately low relative to men s This line of reasoning has caused a global upswing in both candidate and party directed financial schemes introduced to enhance gender balance in political office This book develops a typology of different kinds of gendered electoral financing schemes and builds theories about its causes and consequences By comparing how gendered electoral financing affects political recruitment processes in both established and emerging democracies the authors identify whether and how the funding mechanisms incentivize a shift in political behavior Gendered Electoral Financing is a timely informative and well written book that does an excellent job of explaining in language accessible to students and researchers alike the cost of elections gender imbalance in political office and the effects of financial incentive mechanisms to increase women s representation in politics
