Decolonial History of Art Carolin Overhoff Ferreira, 2025-09-24 Decoloniality is a concept of resistance Decolonization identifies the colonial thought patterns ideas and discourses that still exist today as well as the

socio political cultural economic ecological and psychological power structures and practices based on them Their mechanisms of hierarchization and subalternization can thus be made conscious The aim is to understand them and to assert non hegemonic art and its epistemologies as equals that have been suppressed attacked and marked as other by Western discourses The critique of the Eurocentric Western epistemology that enabled and justified coloniality is therefore crucial This book is a groundbreaking and overdue game shifter that accomplishes this for the discipline of History of Art Look inside Groundbreaking and overdue game shifter that accomplishes decolonization for the discipline of History of Art Identifies the colonial thought patterns concepts and discourses in the History of Art Suggests a decolonial universal concept of art De Charlie Hebdo à #Charlie Jane Weston Vauclair, David Vauclair, 2015-12-02 Ph nom ne d actualit que nous comm morons le mouvement populaire Je suis Charlie est aussi le reflet de profondes transformations soci tales C est ce qu explique cet ouvrage pr cis complet et accessible qui prend un peu de distance avec les v nements r cents pour les d crypter quels sont les enjeux du d bat Quel retour historique peut on faire sur la tradition fran aise de la caricature Quelles perspectives peut on d gager pour l avenir L expertise d une chercheuse britannique en presse satirique et l approche d un enseignant politologue franco suisse se compl tent pour offrir au lecteur un regard crois d voiler les dessous du drame et clarifier les d fis futurs Le journal devenu symbole malgr lui fait ici l objet d une analyse originale qui le remet au coeur des d bats de soci t

Islamophobia and Radicalization John L. Esposito, Derya Iner, 2018-10-13 While the themes of radicalization and Islamophobia have been broadly addressed by academia to date there has been little investigation of the crosspollination between the two Is Islamophobia a significant catalyst or influence on radicalization and recruitment How do radicalization and Islamophobia interact operate feed one another and ultimately pull societies toward polar extremes in domestic and foreign policy The wide ranging and global contributions collected here explore these questions through perspectives grounded in sociology political theory psychology and religion The volume provides an urgently needed and timely examination of the root causes of both radicalization and Islamophobia the cultural construction and consumption of radical and Islamophobic discourses the local and global contexts that fertilize these extreme stances and finally the everyday Muslim in the shadow of these opposing but equally vociferous forces *Humour in Contemporary France* Jonathan Irvine, 2019 Introduction Humour a serious issue in contemporary France Charlie Hebdo from controversy to consensus Dieudonn from anti racist activism to allegations of anti Semitism Jamel Comedy Club stand up comedy la fran aise Islam and humour more than just a debate about cartoons **The Limits of Tolerance** Denis Lacorne, 2019-05-07 The modern notion of tolerance the welcoming of diversity as a force for the common good emerged in the Enlightenment in the wake of centuries of religious wars First elaborated by philosophers such as John Locke and Voltaire religious tolerance gradually gained ground in Europe and North America But with the resurgence of fanaticism and terrorism religious tolerance is increasingly being challenged by frightened publics In this book Denis Lacorne traces the emergence of the modern notion of

religious tolerance in order to rethink how we should respond to its contemporary tensions In a wide ranging argument that spans the Ottoman Empire the Venetian republic and recent controversies such as France s burqa ban and the white supremacist rally in Charlottesville *The Limits of Tolerance* probes crucial questions Should we impose limits on freedom of expression in the name of human dignity or decency Should we accept religious symbols in the public square Can we tolerate the intolerant While acknowledging that tolerance can never be entirely without limits Lacorne defends the Enlightenment concept against recent attempts to circumscribe it arguing that without it a pluralistic society cannot survive Awarded the Prix Montyon by the Acad mie Fran aise *The Limits of Tolerance* is a powerful reflection on twenty first century democracy s most fundamental challenges

Turn to Film Hugo Letiche, Jean-Luc Moriceau, 2019-02-26 *Turn to Film* Film in the Business School offers creative and powerful uses of film in the business school classroom and surveys the pedagogical and performative value of watching films with students This volume examines not only how film offers opportunities for learning and investigation but also how they can be sources of ideological poison self delusion and mis representation Throughout the text renowned contributors embrace film s power to embark on new adventures of thought by inventing images and signs and by bringing novel concepts and fresh perspectives to the classroom If film often reveals organizational dysfunctionality and absurdity it also teaches us to understand the other to see difference and to accept experimentation A wide spectra of films are examined for their pedagogical value in terms of what can be learned explored and discussed by teaching with film and how film can be used as a tool of research and investigation The book sees film in the classroom as an educational challenge wherein rich learning and personal development are encouraged

Toward a Linguistic and Literary Revision of Cultural Paradigms Ettore Finazzi-Agrò, 2018-11-02 This book draws an updated Euro American conceptual map starting from a limited number of strategic terms whose meanings today are judged univocal and permanent while in fact daily use has turned them into common sense depriving them of their ambiguity an original feature of language particularly relevant when it comes to literary use By re examining the proper noun for each of the selected notions the contributors common intent is to shed light on their polysemous nature and linguistic fluidity in spite of the common tendency towards simplification and homogeneity imposed by hegemonic cultural paradigms Along this line the book explores the great divides

between identity and otherness or common or alien in order to recover a sense of cultural identity which is at once polymorphous and polyphonic

Satire John T. Gilmore, 2017-12-02 What is satire How can we define it Is it a weapon for radical change or fundamentally conservative Is satire funny or cruel Does it always need a target or victim Combining thematic theoretical and historical approaches John T Gilmore introduces and investigates the tradition of satire from classical models through to the present day In a lucid and engaging style Gilmore explores the moral politics of satire whether satire is universal historically or geographically limited how satire translates across genres and media the boundaries of free speech and legitimacy Using examples from ancient Egypt to Charlie Hebdo from European traditions of formal verse satire to imaginary voyages and alternative universes newspaper cartoons and YouTube clips from the Caribbean to China this comprehensive volume should be of interest to students and scholars of literature media and cultural studies as well as politics and philosophy

Blood and Shadows: France's Darkest Crimes and Tragedies Robert J Dornan, 2025-04-01 France is a land of beauty revolution and enlightenment but beneath its splendor lies a history soaked in blood and haunted by shadows Blood and Shadows France's Darkest Crimes and Tragedies takes readers on an unflinching journey into the nation's most harrowing moments from infamous murders and deadly conspiracies to forgotten catastrophes that reshaped its people and culture Spanning centuries this gripping volume uncovers both well known horrors the St Bartholomew's Day Massacre the Affair of the Poisons the Bataclan attacks and lesser known tragedies like the Courrières Mine Disaster and the enigmatic Phantom of the Elderly With meticulous research and evocative storytelling it explores how these dark events have left scars on France's identity shaping its resilience and its reckoning with justice and loss For readers of true crime history and the macabre Blood and Shadows is not just a collection of grim tales it is a tribute to those lost and a confrontation with the shadows that history often leaves behind
