proficiency enough to get by with a few extra tricks and tips but don't get the opportunity to probe much further into the real power of Word. Word is so rich in features that regardless of your level of expertise there's always more to master. If you've ever wanted a quick answer to a nagging question or had the thought that there must be a better way, then this second edition of Word Pocket Guide is just what you need. Updated for Word 2003, this compact book covers Microsoft Word's keyboard shortcuts, user interface commands, and tasks. Following an overview of fundamental Word concepts, the guide explains how to accomplish specific tasks such as formatting, spelling, editing, printing, customizing, and more. It also provides reference tables so you can quickly zoom in on the information you need, like keyboard shortcuts, regular expressions, and common file locations. This handy little book makes a perfect quick reference when you want to complete tasks faster without having to plow through a thousand-page tutorial. Word Pocket Guide, Second Edition, is ideal for those making the move to Word 2003. In addition, it covers Word 2002, 2000, and 97. The book includes a brief explanation of how Word works behind the scenes, an extensive guide section for common tasks as well as little-known solutions, reference tables for keyboard shortcuts, regular expressions, and common file locations. If you're a Word power user, help desk staff, or anyone who wants to use advanced shortcuts or solve problems, Word Pocket Guide, Second Edition, is a must-have.
