Denis Glennon,2023-04-14 A violent and senseless crime committed against an innocent citizen and a father s desire 25 years later to speak directly to others who have lost a child or experienced similar grief to help in the necessary recovery back into their lives Ciara Glennon vanished into the night in Perth Western Australia leaving a family and a city in deep shock When her body was found nineteen days after her disappearance even those with long memories could not remember a time when the community was as overwhelmed with sadness and anguish A violent and senseless crime committed against an innocent citizen the details and repercussions of Ciara s disappearance were unsettling Ciara was murdered by the person the media labelled The Claremont Serial Killer The search to find him spanned twenty five years Ciara s father Denis was a driving force in insisting that the killer be found and justice be delivered for his daughter Such grief in its woundedness and suffering can deliver startling and shocking impacts on body mind heart and spirit This is the story of Denis s journey and the pathways he found to arrive at a sense of peace and contentment after the loss of his daughter Pastures of Healing is a raw intimate and uplifting story **The Aesthetics of Imperfection in Music and the Arts** Andy Hamilton,Lara

Pearson,2020-10-01 The aesthetics of imperfection emphasises spontaneity disruption process and energy over formal perfection and is often ignored by many commentators or seen only in improvisation This comprehensive collection is the first time imperfection has been explored across all kinds of musical performance whether improvisation or interpretation of compositions Covering music visual art dance comedy architecture and design it addresses the meaning experience and value of improvisation and spontaneous creation across different artistic media A distinctive feature of the volume is that it brings together contributions from theoreticians and practitioners presenting a wider range of perspectives on the issues involved Contributors look at performance and practice across Western and non Western musical artistic and craft forms Composers and non performing artists offer a perspective on what is imperfect or improvisatory within their work contributing further dimensions to the discourse The Aesthetics of Imperfection in Music and the Arts features 39 chapters organised into eight sections and written by a diverse group of scholars and performers They consider divergent definitions of aesthetics employing both 18th century philosophy and more recent socially and historically situated conceptions making this an essential up to date resource for anyone working on either side of the perfection imperfection debate Zest Andy

Cope, Gavin Oattes, Will Hussey, 2019-08-05 ZEST equates to zing enthusiasm energy gusto eagerness zeal and fervour It also connotes a tang a sharpness It s the opposite of bland And Zest How to Squeeze the Max out of Life is exactly that It s more than just a book on personal development There are an awful lot of those Zest is a catalyst a spark that ignites your remembering of what makes you in a word you It drives you to rethink rejuvenate and reinvent It also contains a touch of the revolutions Have you as a grown up fallen into the trap of becoming a Groan up You know you should try to make the best of things but oftentimes you don t know what your best is anymore It s strange You used to know What happened Was it the years of social conformity There is a whole beige generation out there a generation that has lost its identity and forgotten who they once were buried under the crushing stifling facades of adulthood If only there was a way to unearth your passions recover the zest for life you once had Maybe there is Zest is a wake up call for you to explore the formative moments that define your life It challenges you to believe that your best days are still ahead to search your soul to shake things up and bask in the warmth of glorious individuality Zest will help you Explore the pivotal defining moments in your life Examine both the good and bad experiences that define you Reconnect to the essence of who you are Embrace your quirks qualities and peculiarities Determine to be the person you always wanted to be Zest is your permission to play your licence to wreak the right kind of havoc Moreover it s not about pretending to be someone you re not it s about squeezing every last drop out of who you already are
