hurl back the Western Allies invasion forces in Normandy and were used in the last great offensive on the Western Front in the Ardennes and contributed to the final defence of Berlin In adversity they were some of the most resilient soldiers that fought for Germany in World War II and were ideologically and politically aligned with Hitler For over 70 years many of the manuscripts contained in this book and sourced from the United States National Archives have not been scrutinised by modern researchers This book provides a unique opportunity to publish these records in order to provide an insight into the Waffen SS The Waffen SS was a military organisation that is steeped in the military folklore of being a force capable of incredible military feats but it was also capable of incredible evil These records are exceedingly valuable as they are one of the few contemporaneous primary sources of information available in relation to the Waffen SS Himmler's SS Robin Lumsden,2009-04-01 The real story of the SS unlike its popular mythology is so complex as to almost defy belief it is a tale of intrigue and nepotism of archaeology and Teutonism of art and symbolism Himmler s SS is a story of street fighters and convicted criminals becoming Ministers of State and police commanders the story of charitable works and mass extermination being administered from the same building the story of boy generals directing vast heterogeneous armies on devastating campaigns of conquest Here indeed fact is stranger than fiction Himmler s SS looks at the wide ranging effects that the SS had on the Police racial policies German history education the economy and public life as well as the uniforms and regalia which were carefully designed to set Himmler s men apart as the new elite in Third Reich society Fully illustrated this book is an authoritative history of the SS and as such will appeal to all with an interest in Hitler s Third Reich **12th SS Panzer Division Hitlerjugend** Massimiliano Afiero,2024-01-05 A fully illustrated account of the infamous 12th SS Panzer Division Hitlerjugend from their formation through to the fierce battles for Caen The 12th SS Panzer Division Hitlerjugend was formed in 1943 from members of the Hitler Youth who had been born in 1926 primarily as an emergency response force in France to repel the expected Allied invasion from the sea Training was initially haphazard due to lack of equipment however in March 1944 it was attached to I SS Panzer Corps and transferred to Normandy Based around Caen it was intended to repel a possible and expected invasion from the sea When the invasion came in June it was one of the two closest panzer divisions to the landing beaches engaging Allied paratroopers at dawn Once the Allied bridgehead was established Hitlerjugend deployed to Caen The defensive battles that took place in Normandy particularly the four battles around the city of Caen saw the young soldiers of the Hitlerjugend demonstrate determined resistance conceding only due to being greatly outnumbered Packed with photographs maps and profiles this Casemate Illustrated follows the actions of the 12th SS Panzer Division through formation and training to the four battles for Caen **Weapons and Fighting Tactics of the Waffen-SS** Dr Stephen Hart,Professor Russell A.
