Whats Holding You Back Eight Critical Choices For Womens Success:

What's Holding You Back? Linda Gong Austin, 2009-04-29 After thirty years of feminism women continue to underachieve occupying only 10 percent of top level managerial or professional positions And significant achievement influential woman leaders and visionaries is rarer still The reason argues this bold and inspiring book lies in the self imposed psychological glass ceiling which influences every decision women make in their lives What s Holding You Back charts women s unique pathways to achievement and examines eight life defining choices that determine their ultimate level of accomplishment *What's Holding You Back 8 Critical Choices For Women's Success* Linda S. Austin, 2000-04-06 Drawing on research studies interviews focus groups and experience as a practicing psychotherapist and radio talk show host Austin explains why so many women continue to underachieve after 30 years of feminism and proposes eight choices women make that determine their level of accomplishment Annotation copyrighted by Book News Inc Portland OR

Heart of the Matter Linda Austin, 2003-05-06 Why is it that love seems to come easily to some people and not to others In her first book What s Holding You Back Eight Critical Choices for Women s Success Dr Linda Austin explored the psychological glass ceiling the emotional barriers that keep women from achieving career success This book is about a different kind of inner glass ceiling the one that holds you back from the heights of great love Dr Austin is convinced that there s nothing fundamentally wrong with those who have difficulty finding and keeping love BUT there may be specific behaviors that you engage in and specific behaviors that you do not engage in that have a profound impact on whether you find and keep love The good news Those behaviors can be learned practiced and eventually incorporated into your personality Dr Austin wants you to know that small adjustments in your outlook and actions can have enormous impact on your ability to get the love you want And in this perceptive highly original book she identifies the five core behaviors that determine your ability to have successful loving relationships as well as the patterns of behavior that can subtly sabotage those efforts The Core Behaviors 1 Engage with the World around You 2 Evaluate the Choices You Make for Love 3 Expand Your Safety Zone 4 Establish Emotional Independence 5 Evolve Consciously Willfully Healthily Heart of the Matter shows how these five essential practices can deepen and transform your ability to give and receive love and loyalty It explains how to make those small and specific changes that will have huge ripple effects on what happens to you in life and most important of all it demonstrates how to identify and use your strengths so that you can move toward the life and love you want so much Heart of the Matter reflects Dr Linda Austin s twenty five years as a psychiatrist assisting all sorts of people in their efforts to live more fully in the real world of loving human relationships Pragmatic and sensible this book is based on the conviction that each of us has the capacity to improve our ability to find and inspire love through specific behaviors So whether you re currently in a relationship or it s been so long since you ve dated that you think seeing someone refers to a psychiatrist Heart of the Matter can help you move toward that healthy loving relationship you want and so richly deserve
