When Millennials Take Over Preparing For The Ridiculously Optimistic Future Of Business:

When Millennials Take Over Jamie Notter, Maddie Grant, 2015 Consultants Jamie Notter and Maddie Grant discuss four business competencies in the light of their extensive research about millennials at work that are crucial in today's turbocharged commercial environment. Your firm must be digital, clear, fluid, and fast. The authors explain how to incorporate these elements into your organization and why it matters. These are millennial priorities, and these grown children of the digital age will have an outsized influence on business in the years to come. Notter and Grant parse an important transition in the work world. *Abstract* recommends this generational marker to executives and human resource officers and to the millennials who sooner or later will fill those positions. [When Millennials Take Over](#), 2017 [When Millennials Take Over](#) Jamie Notter, Maddie Grant, 2015 *The New Social Learning, 2nd Edition* Tony Bingham, Marcia Conner, 2015-06-15 Social learning is a fundamental shift in how people work, leveraging how we have always worked, now with new, more humanizing tools accelerating individual and collective reach, giving us the resources to create the organization and the world we want to live in. In this newly revised and updated edition of *The New Social Learning*, Tony Bingham and Marcia Conner dispel organizational myths and fears about social media. By sharing the success stories of socially engaged companies and people, the much anticipated second edition persuasively makes the case for using social media to encourage knowledge transfer and real-time learning in a connected and engaging way. As Steve LeBlanc noted, Social learning thrives in a culture of service and wonder. It is inspired by leaders enabled by technology and ignited by opportunities that have only recently unfolded. Brand new case studies about innovative organizations such as Boston Children's Hospital, National Australian Bank, LAZ Parking, Sanofi Pasteur, Cigna, CENTURY 21, and Roche Pharmaceuticals illustrate cutting-edge social learning approaches that cultivate environments where great people can do their best work. *The New Social Learning* lays the foundation for improving the way you engage with colleagues, collaborate with teams anywhere in the world, and build workforce capability. Take the next step to connect skills and knowledge and move your own organization forward as you reclaim and revolutionize workplace learning. **The Happy, Healthy Nonprofit** Beth Kanter, Aliza Sherman, 2016-09-26 Steer your organization away from burnout while boosting all-around performance. *The Happy Healthy Nonprofit* presents realistic strategies for leaders looking to optimize organizational achievement while avoiding the common nonprofit burnout. With a uniquely holistic approach to nonprofit leadership strategy, this book functions as a handbook to help leaders examine their existing organization, identify trouble spots, and resolve issues with attention to all aspects of operations and culture. The expert author team walks you through the process of building a happier, healthier organization from the ground up with a balanced approach that considers more than just quantitative results. Employee wellbeing takes a front seat next to organizational performance with clear guidance on establishing optimal systems and processes that bring about better results while allowing a healthier work-life balance. By improving attitudes and personal habits at all levels, you'll implement a positive

cultural change with sustainable impact Nonprofits are driven to do more more more often with fewer and fewer resources there comes a breaking point where passion dwindles under the weight of pressure and the mission suffers as a result This book shows you how to revamp your organization to do more and do it better by putting cultural considerations at the heart of strategy Find and relieve cultural and behavioral pain points Achieve better results with attention to well being Redefine your organizational culture to avoid burnout Establish systems and processes that enable sustainable change At its core a nonprofit is driven by passion What begins as a personal investment in the organization s mission can quickly become the driver of stress and overwork that leads to overall lackluster performance Executing a cultural about face can be the lifeline your organization needs to thrive The Happy Healthy Nonprofit provides a blueprint for sustainable change with a holistic approach to improving organizational outlook
