When Skies Have Fallen:

Chain of Secrets Debbie McGowan, 2023-02-07 The story of George and Josh two little boys who became best friends two adolescents who stayed best friends two young adults with secrets that might change their friendship forever Josh and George have always shared the special bond of friendship From days in primary school to holidays spent riding their bikes along the canal theirs is a promise to remain best friends forever But can that promise withstand the trials of adolescence and the changes in their feelings towards each other NOTE this is a fully stand alone story but it contains significant spoilers for anyone reading the Hiding Behind The Couch series and should be read after The Harder They Fall season three

Reverberations Debbie McGowan, 2022-12-21 Mysterious happenings are mounting up for Josh Sean and their estranged alumni Josh Sandison Morley was born a sceptic Why else would he insist there s no such thing as ghosts when he s eliminated every plausible explanation for the noises in his former therapy rooms Sean Tierney s having some performance issues His GP says there s no physical reason his blood pressure is under control and he s stayed off the booze ergo it s all in his head In the circumstances being a palliative clinical psychologist isn t proving self helpful Despite two decades of friendship and their grand plans to open a private psychotherapy centre neither man confides in the other That is until news reaches them both via different avenues that their experiences are but part of a bizarre cluster of unexplained phenomena for which there is only one common denominator Whether real or the product of overwrought imaginations Josh Sean and their alumni must lay to rest the spectre of a once beloved friend or admit defeat and crawl back under the safe weighty stones of the jobs and relationships they ve left behind *The Great Village Bun Fight* Debbie McGowan, 2018-07-31 All s fair in love and war But not in baking Do what you do best So said Henry s grandad as he handed Henry a small red foil wrapped box that gave a metallic rattle when he shook it Inside a large bunch of mismatched keys held together by a ring the size of a bangle The keys to the bakery Henry s bakery A humorous story about baking and village life as you might expect Also includes a rockin reverend cakes and bunting Part of Seasons of Love Anthology **The Advent of Reason** Debbie McGowan, 2018-12-20 A weekend in an ancient castle and a murder mystery game that becomes all too real It s safe to say Josh s plans for a romantic anniversary with George are not turning out the way he d hoped In spite of his cynicism and his promise not to embark on any more life threatening pursuits for answers when one of the guests turns up dead Josh can t help but put his talents to use to solve the murder The Advent of Reason is a more or less stand alone novella length character special in the Hiding Behind The Couch series Those Jeffries Boys Debbie McGowan, 2016-05-26 Three brothers doting dads dealing with the everyday challenges of fatherhood Following the imprisonment of his ex girlfriend Mike Jeffries has one priority his six month old daughter Bethan Between caring for her and being a self employed painter and decorator he s already got enough on his plate without his sisters in law insisting he s ready to date again Now Bethan s grandmother intends to fight him for custody and Mike s not sure he can rise to it Always up for an adventure Andy Jeffries has finally

found the perfect challenge keeping the woman he loves satisfied and raising their twin daughters Rosie and Sorsha The problem is everyone else thinks he needs more and dealing with his brothers trials and tribulations means he s getting it whether he wants it or not Dan Jeffries is about to become a father for the second time and he s terrified not that he s the kind of man to admit it But after the premature birth of his daughter Shu he s taking no chances until his son is safely delivered into this world which means putting a hold on his hunt for the perfect family home However the house he wants comes with a very big price tag and not of the monetary kind Those Jeffries Boys is a novel length character special Part of Hiding Behind The Couch series This story follows chronologically from Two By Two Season Six and continues in Reunions Season Seven

Reunions Debbie McGowan,2017-04-19 When greed fear and obsession rule the senses danger is never more than a heartbeat away A night of celebration affords the perfect opportunity for an unlikely band of criminals to make their move but as details emerge it soon becomes clear the crime is far more sophisticated than the police first thought And that s only the beginning Reunions is Season Seven in the Hiding Behind The Couch series This instalment follows chronologically from Two By Two Season Six and Those Jeffries Boys It continues in Reverberations WARNING this story touches on themes of suicide ideation sudden infant death cancer dementia drug dependency and dissociative PTSD These are not graphically or gratuitously depicted but may nonetheless cause distress to some readers The story also includes a few brief scenes of an intimate non explicit nature

No Time Like The Present Debbie McGowan,2012-11-16 Sometimes a murder mystery is the least of life s challenges This sequel to Hiding Behind The Couch finds Josh and The Circle fighting to prove the innocence of one James Brown a well liked and respected MD of a pizza restaurant chain But his past is far from helpful in freeing him of suspicion and Eleanor is all set to call it a day It s the perfect time to make new friends make amends and solve a murder case a beautiful tapestry which is a story encompassing so many lives and their interconnections I wanted more just so I could find out what the future held for my newfound friends All I can hope is for the possibility that Debbie McGowan might like to make this into a trilogy or even a series that I can keep indulging in for either the rest of my own or the characters lives NOTE contains Hiding Behind The Couch plot spoilers it is therefore recommended that these novels are read in order No Time Like The Present is season two in the Hiding Behind The Couch series The story follows chronologically from Hiding Behind The Couch Season One and continues in The Harder They Fall Season Three

The Making Of Us Debbie McGowan,2017-06-20 When English Lit student Jesse Thomas meets Leigh Hunter he has to reconsider a few assumptions he s made about himself Two years ago Jesse joined Pride the uni s LGBT society to support best friend Noah and Noah s boyfriend Matty As a straight cismale ally Jesse keeps a low profile not difficult for someone as shy and body conscious as he is Leigh Hunter is Noah and Matty s new housemate Born with a life threatening congenital condition Leigh is intersex and identifies as queer none of which alters Jesse s conviction that they are the most beautiful person in the world While Jesse and Leigh get to know each other a new academic year begins in earnest bringing with it the

usual challenge of balancing work and play Add in a week s holiday in Cornwall that Jesse and Leigh half wish they hadn t agreed to Jesse s unplanned involvement in the election of Pride s new officers and some big decisions for Noah and Matty it s going to be an interesting semester all round NOTE this is a stand alone novel but you might wish to read the series in order In the Checking Him Out Series Checking Him Out Book One Sol and Adam Checking Him Out For The Holidays Novella Sol and Adam Hiding Out Novella A crossover featuring Matty and Noah and Josh George and Libby from Hiding Behind The Couch Taking Him On Book Two Noah and Matty Checking In Book Three Sol and Adam The Making of Us Book Four Jesse and Leigh *Beginnings* Debbie McGowan,2013-05-31 Journey back to childhood where the buds of friendship blossom take a peek into the lives of the primary schoolchildren who would become The Circle A prequel to the Hiding Behind The Couch books As the title suggests this short story focuses on the early school days long before the birth of the full Circle a series of sectors if you will Contains no real spoilers so can be read independently of the rest of the series and in any order A very sweet short story of blossoming friendships and childhood traumas a wonderful engaging story that made me feel good inside Highly recommended for readers who love richly written characters and clever dialogue WARNING this story deals with themes of child sexual abuse sudden infant death and parents marriage breakdown due to infidelity All issues are written about sensitively and in a way that is intended to be accessible for children aged ten and above **Breaking Waves** Debbie McGowan,2014-06-01 What do you do when you fall in love with your childhood best friend Do you tell them and risk ruining the friendship And what then if it takes decades for them to respond to your admission Do you wait for an answer hoping it will be the one you want to hear George did Now thirty years on the secrets are out in the open But can two hearts almost destroyed by denial and separation ever be healed Fill in the gaps by joining George and Josh on their Cornish honeymoon against an awe inspiring backdrop of breaking waves sand and sunshine Breaking Waves is a novella length character special Part of Hiding Behind The Couch series Chronologically it falls between In The Starts Part I Season Four and In The Stars Part II Season Five WARNING this story contains references to previous self harm ongoing mental health conditions and intimate mildly explicit scenes between consenting male adults
