When Words Are Not Enough:

When Words Are Not Enough SJ McCoy, 2022-06-10 If you've read the earlier Summer Lake Silver books you might remember Adam. He runs security for Clay MacAdam. He hasn't had time for a relationship in years. He's been happy and busy enough with his work and with the fixer-upper house that he's renovating. He still travels a bit with Clay but he's come to think of Summer Lake as home, the place he wants to finally put down roots. For him, settling down means owning a house. He's not looking for a woman to be part of the picture. But when Evelyn starts working at Guardian Fitness, his friend's gym, he feels drawn to her in a way he can't explain. She's a mystery and he just knows that she has more troubles than she'll admit. He's confident that he can help her out if she'll just open up to him. But no matter what he says, Evelyn's not prepared to take the risk of putting him in danger. He says that he can help but when it comes to facing her kind of troubles, words are not enough. Like *Some Old Country Song*, *Clay and Marianne*, *A Dream Too Far*, *Seymour and Chris*, *A Little Rain Must Fall*, *Ted and Audrey*, *Where the Rainbow Ends*, *Diego and Izzy*, *Silhouettes*, *Shadows and Sunsets*, *Manny and Nina*, *More Than Sometimes*, *Cal and Teresa*, *Like a Soft Sweet Breeze*, *Russ and Alexandria*. **When Words Are Not Enough** Adam and Evelyn **Too many words, Not enough ink** Miriam Soltero, 2012-08-14 A Carrie Bradshaw kind of book. A compilation of 65 short stories, relationship advice columns, and popular blogs from *Life As I Know It*. A blog by Author Miriam Soltero **When Tears Are Not Enough** Liliana R. Christophe, 2023-10-25 About the Book *When Tears Are Not Enough* is about a young girl's journey from being sexually abused at the age of six to having her first child at age twelve and being a mother of five by age twenty-four. After years of manipulation, Diane realizes that she can finally speak up and speak out. An urgent message to anyone out there who feels their voice has been taken from them. Diane finds the ability to not only love herself but forgive those that tried to destroy her sense of self-worth. About the Author Liliana R. Christophe was born in Seattle, Washington, and raised in Oakland, California. She enjoyed a career with the federal government for thirty-five years. Additionally, she has a passion for community service, feeding the homeless, and volunteering at shelters. Liliana has had her share of trials and great triumphs. She is a cancer survivor and thanks God for His grace and mercy. She also credits her daughter from her first marriage for giving her the will to press on when life seemed hopeless. In 2021, Liliana was blessed to marry her high school sweetheart, her true soulmate. Together, Liliana and her husband love to travel the world, attend church, and share the joys and pains of parenting four adult children and the pleasure of five grandchildren. Liliana has a deep faith in God, and it is that faith that has guided her through this journey to write this book for her birth mother, Diane. **When Getting Along Is Not Enough** Maureen Walker, 2019 Now more than ever, race has become a morphing relational dynamic that has less to do with the demographic census box we check and more with how we make sense of our lives, who we are, and who we can become in relationships with others. Using anecdotes from her practice as a licensed psychologist and as an African American growing up in the South, Walker provides a way for educators and social service professionals to enter into cross-racial discussions.

about race and race relations She identifies three essential relational skills for personal transformation and cultural healing that are the foundations for repairing the damage wrought by racism While Walker does not sugarcoat the destructive history of racism that we all inherit in the United States the book's vision is ultimately affirming empowering hopeful and inclusive about the individual and collective power to heal our divisions and disconnections Book Features Presents a new way of understanding race as a relational dynamic and racism as a symptom of disconnection Synthesizes for the first time two important systems of thought relational cultural theory and race social identity theory Includes Pause to Reflect exercises designed to stimulate group conversations in book clubs social justice groups staff development classrooms and workplace training Offers practical everyday solutions for people of different races to better understand and accept one another 24
