Anthropocene concept draws attention to the various forms of entanglement of social political ecological biological and geological processes at multiple spatial and temporal scales The ensuing complexity and ambiguity create manifold challenges to widely established theories methodologies epistemologies and ontologies The contributions to this volume engage with conceptual issues of scale in the Anthropocene with a focus on mediated representation and narrative They are centered around the themes of scale and time scale and the nonhuman and scale and space The volume presents an interdisciplinary dialogue between sociology geography political sciences history and literary cultural and media studies Together they contribute to current debates on the re imagining of forms of human responsibility that meet the challenges created by humanity entering an age of scalar complexity Chapter 3 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com/books/e/9781003136989> **Back to Bunker Hill: A Time Travel Romance** ID Johnson,2025-06-15 Our

love defies history itself Visiting my aunt s centuries old home in Massachusetts was supposed to be a quiet break from

reality I didn't expect to fall down an abandoned well and straight into the year 1775. When I wake up the colonies are on the brink of war and I'm in the middle of it. That's when I meet Eric, a determined young soldier with everything to lose. Eric is set on joining the fight at Bunker Hill, but history says he won't survive. Convincing him I'm from 2025 is hard enough. Convincing him not to die for a war that hasn't even begun is nearly impossible. But I didn't fall through time just to watch him march to his death. Can I change the past without destroying our future? *Back to Bunker Hill* is the third in a sweeping time travel romance series that can be read in any order. Journey into the past and fall into a love that refuses to fade.
