The Essence of Music Dr. Len Bergantino Ed.D. Ph.D., 2019-05-30 Do you think that some slug who looks very professional who whispers an occasional interpretation to you five times a week for 7 years can make one bit of difference in your life or does such a psychotoxic slug called a psychoanalyst merely stick you in an emotional toilet bowl for seven years having the cumulative result of turning you into a hopeless bastard who will never turn the tragic corner in his or her life Can your analyst analyze an archaic liquid symbiotic or an osmotic transference or can they even recognize this phenomena in order to analyze it If the psychoanalyst cannot analyze these transferences they can t do an analysis I used to get good faith patients who had the balls to work on the cutting edge at the same time I did because they had had combinations of twenty years of two seven year analyses plus several briefer psychotheraphies only to be as crazy as the day they walked in 200 000 00 As Dr Donald Rinsley M D fellow American College of Psychoanalysts wrote about me my work has both a healing effect and affect Patients used to pay me six months in advance to hold the time open because I was irreplaceable I was the only one who could analyze the psychotic core of the personality and I was the only who could actually do what Dr Wilfred R Bion MRCS Medical Royal College of Surgeons wrote about analyzing the psychotic core of the personality As I am seventy six years old I have written five books that must be read and digested in their entirety As these books are the thing in itself they will transform the reader into the kinds of analyst patient and psychotherapist who can make a difference in helping people turn the tragic corner in their lives In other words these five books are analysis These books were written to be around for a few hundred years and were directly guided by the Almighty By Dr LEN BERGANTINO Ed D USC Ph D A B P P *The Essence of Music* *Musicality* *Pure Sound* *the Art of Melody and Inner Peace* They say that music is the international language but what is music For the Bergantino Bredice family music was the family business In terms of what kind of music you listen to my father Dan Bergantino always told me If you put shit in shit will come out That is it will reflect when you play music My cousin Louis Bredice told me When I first started playing Jazz I played a lot of notes Then I realized that all I needed were the right ones My cousin Freddie Bredice had the fastest technique on guitar I had ever seen The first time I met him was on a gig in 1967 His speed was blinding

faster than a speeding bullet I was leaning against a wooden beam next to him and when he finished I said You must be cousin Fred He said Yeah I don't play chords It fucks up your hands Freddie was one of Joe Diorio's guitar teachers and Joe said he still has nightmares about Freddie's speed Joe was known as the best jazz guitar player in the world of guitar players I got him to play songs again in a CD entitled Falling in Love where I played mandolin and Joe accompanied me on guitar This is a multi purpose book just like the previously published book entitled Zen and the Art of Motorcycle Maintenance which had more to do with human growth than motorcycle maintenance This book is a natural model for how musicians as human beings deal with each other thereby providing a baseline for humans in answering Shakespeare's question To be or not to be Further this book is substantive and full of depth enough to be used in music schools no matter what musical genre since it focuses on musicality pure sound the art of musicality and peace It can be utilized in the psychotherapeutic arts and its content is healing in nature The Reverend Dr Len Bergantino Professional Musician from 1196 2012 Age 56 70 Musician's Local 47 American Federation of Musicians *Collected Works of Erasmus* Desiderius Erasmus, 1992-01-01 This is one of seven volumes that will contain the more than 4000 adages that Erasmus gathered and commented on sometimes in a few lines and sometimes in full scale essays The notes identify the classical sources and indicate how Erasmus reading and thinking developed over the quarter century spanned by the eight revisions of the original work Many of the proverbs cited by Erasmus are still in our common stock of speech *A Missionary Looks at the Conquest of Babylon* Richard Lehman, 2025-03-01 Many recognize that Revelation reveals the most important last day's issues and battle for mankind But is that battle physical or spiritual Is it only yet to come or has it been going on already for a long time What kind of battle is being described and what should I be doing to ensure that I am on the right side of the battle If you attempt to interpret Revelation literally which most interpreters do to some degree or another you come up with many different physical battle interpretations or political religious personality warnings all according to the author's worldview So now the confusion comes from trying to determine which interpretation is actually coming to pass and how to prepare yourself for it But if you focus on a spiritual interpretation you will find that there is only one interpretation and that one points to the life and testimony of Jesus Christ see Revelation 1:2 So if you prepare yourself to follow Jesus Christ's testimony revealed through Revelation you will find that you are prepared for anything In scripture the number seven is often used to represent the completed work of God Revelation is a book of many sevens because it is intended to complete the testimony of Jesus Christ within you With that purpose this book is a follow on from the first book that focused on Jesus Christ's Love Letter to the church covering the first eight chapters of Revelation This book will continue by covering the next eight chapters and by explaining the spiritual meaning of most of the many sevens within Revelation As those sevens are revealed we will see a spiritual battle unfold uncovering the greatest foe to the true church which is hypocrisy Revelation will ultimately describe this hypocrisy as MYSTERY BABYLON THE GREAT THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH Revelation 17:5 As a

missionary I am focused on exposing hypocrisy which is spiritual harlotry so that we might establish the kingdom of God that Jesus brought within the hearts of people In particular my calling is to focus on identifying a true ministry to enable them to follow the Holy Spirit's lead in reaching and teaching others So it is only natural that this book would focus on the Revelation purpose of The Conquest of Babylon because spiritual Babylon represents the spiritual harlotry that has saturated the multitude of church organizations and their ministry Therefore Revelation shows us a calling vision for a ministry that has the everlasting gospel to preach to them that dwell on the earth and to every nation and kindred and tongue and people Saying with a loud voice Fear God and give glory to him for the hour of his judgment is come and worship him that made heaven and earth and the sea and the fountains of waters And there followed another angel a ministry saying Babylon is fallen is fallen that great city because she made all nations drink of the wine of the wrath of her fornication Revelation 14 6 8 Hypocrisy has corrupted most every church organization which in turn has also influenced great corrupted purposes within most every institution of mankind People learn how to play the insincere facade of hiding the corrupted purposes of their heart by the examples that have been shown them through corrupted church organizations and their leadership There are many symbolic lessons within Revelation the seven trumpets the three woes the two witnesses the woman with a crown of 12 stars the 1 260 days the dragon the war in heaven where Satan is cast out the beast the image of the beast the mark and number of the beast fallen Babylon the 1 600 furlongs and the seven vials of God's wrath poured out All of these and more are covered thoroughly within this book

What Is Christian Truth for You? Jim Moore, 2007-05 Moore draws from personal life experiences to show how Jesus Christ draws all people into seeking Him Christian

The Dark Matter Recordings Philip Strackbein, 2021-06-24 Philip is a Christian who works for NASDA and is in charge of the Hubble Telescope He makes some filters for the telescope that enable him to view the dark matter that exists in the universe Then he discovers that the dark matter which has the shape of ovals have been video recording everything that has ever happened in the universe He learns how to access these recordings The first thing he views is the creation of the world After the creation of man there was a population explosion that caused the whole Earth to be filled in a relatively short period of time Just think what would happen if everyone having the same intelligence that we have lived to be eight hundred to nine hundred years old and there was no birth control Who stops to think that Cain and Abel would have been over a hundred years old at the time that Cain killed Abel and that Eve would have had over fifty more children by that time and that the population of the world by that time could have been over ten thousand A large portion of the novel presents the five hundred years of Noah's life before the Great Flood The novel without violating Scripture shows that mankind before the flood was very advanced in technology It proposes a very different explanation for the existence of UFOs than most people imagine Human beings living on the Earth had succeeded in finding a way to overcome gravity and inertia had traveled to outer space and had established colonies on the moon and Mars The novel contains a great deal of romance and has a surprise ending 1
