

Which Side Are You On The Story Of A Song

Pasquale De Marco

Which Side Are You On The Story Of A Song:

Which Side Are You On? The Story of a Song George Ella Lyon, 2014-01-01 Which Side Are You On tells the story of the classic union song that was written in 1931 by Florence Reece in a rain of bullets It has been sung by people fighting for their rights all over the world Florence s husband Sam was a coal miner in Kentucky Many of the coal mines were owned by big companies who kept wages low and spent as little money on safety as possible Miners lived in company houses on company land and were paid in scrip good only at the company store The company owned the miners sure as sunrise That s why they had to have a union Miners went on strike until they could get better pay safer working conditions and health care The company hired thugs to attack union organizers like Sam Reece George Ella Lyon tells this hair raising story through the eyes of one of Florence s daughters a dry witted pig tailed gal whose vantage point is from under the bed with her six brothers and sisters The thugs bullets hit the thin doors and windows of the company house and the kids lying low wonder whether they re going to make it out of this alive wonder exactly if this strike will make their lives better or end them but their mother keeps scribbling and singing We need a song she tells her kids That s not at all what they think they need Graphic novelist Christopher Cardinale brings Florence s triumphant story to life in true rip roaring union style Selected as an IRA Notable Book for a Global Society and a 2012 Skipping Stones Honor Book **Song, Struggle, and Solidarity** Mark

Abendroth, 2019-11-05 The New York City Labor Chorus NYCLC was the first group of its kind when it formed in 1991 with members of different unions joining together in song Song Struggle and Solidarity The New York City Labor Chorus in Its Twenty fifth Year is the product of Mark Abendroth s ethnography on the NYCLC during its calendar year from fall 2016 to spring 2017 Abendroth was in his sixth year as an active member of the chorus at that time He kept field notes of nearly every NYCLC performance and weekly rehearsal during the year He also interviewed twenty eight of the approximately eighty five members and studied documents in the group s history Chapters include a history of singing in the labor movement in the United States a history of the NYCLC in its first twenty four years and a focus on developments during the group s twenty fifth year The book ends with the author s conclusions on the NYCLC s accomplishments challenges and possibilities **Performing Motherhood; Artistic, Activist and Everyday Enactments** Amber E Jinser, 2014-12-01

Performing Motherhood explores relationships between performativity and the maternal Highlighting mothers lived experiences this collection examines mothers creativity and agency as they perform in everyday life in mothering in activism and in the arts Chapters contain theoretically grounded works that emerge from multiple disciplines and cross disciplines and include first person narratives empirical studies artistic representations and performance pieces This book focuses on motherwork maternal agency mothers multiple identities and marginalized maternal voices and explores how these are performatively constituted negotiated and affirmed Strike Songs of the Depression Timothy P. Lynch, 2009-11-12 The Depression brought unprecedented changes for American workers and organized labor As the economy plummeted

employers cut wages and laid off workers while simultaneously attempting to wrest more work from those who remained employed In mills mines and factories workers organized and resisted striking for higher wages improved working conditions and the right to bargain collectively As workers walked the picket line or sat down on the shop floor they could be heard singing This book examines the songs they sang at three different strikes the Gastonia North Carolina textile mill strike 1929 Harlan County Kentucky coal mining strike 1931 32 and Flint Michigan automobile sit down strike 1936 37 Whether in the Carolina Piedmont the Kentucky hills or the streets of Michigan the workers songs were decidedly class conscious All show the workers understanding of the necessity of solidarity and collective action In Flint the strikers sang The trouble in our homestead Was brought about this way When a dashing corporation Had the audacity to say You must all renounce your union And forswear your liberties And we ll offer you a chance To live and die in slavery As a shared experience the singing of songs not only sent the message of collective action but also provided the very means by which the message was communicated and promoted Singing was a communal experience whether on picket lines at union rallies or on shop floors By providing the psychological space for striking workers to speak their minds singing nurtured a sense of community and class consciousness When strikers retold the events of their strike as they did in songs they spread and preserved their common history and further strengthened the bonds among themselves In the strike songs the roles of gender were pronounced and vivid Wives and mothers sang out of their concerns for home family and children Men sang in the name of worker loyalty and brotherhood championing male solidarity and comaraderie Informed by the new social history this critical examination of strike songs from three different industries in three different regions gives voice to a group too often deemed as inarticulate This study the only book length examination of this subject tells history from the bottom up and furthers an understanding of worker culture during the tumultuous Depression years

The Encyclopedia of Strikes in American History Aaron Brenner, Benjamin Day, Immanuel Ness, 2015-01-28 Strikes have been part of American labor relations from colonial days to the present reflecting the widespread class conflict that has run throughout the nation s history Against employers and their goons against the police the National Guard local state and national officials against racist vigilantes against their union leaders and against each other American workers have walked off the job for higher wages better benefits bargaining rights legislation job control and just plain dignity At times their actions have motivated groundbreaking legislation defining new rights for all citizens at other times they have led to loss of workers lives This comprehensive encyclopedia is the first detailed collection of historical research on strikes in America To provide the analytical tools for understanding strikes the volume includes two types of essays those focused on an industry or economic sector and those focused on a theme Each industry essay introduces a group of workers and their employers and places them in their economic political and community contexts The essay then describes the industry s various strikes including the main issues involved and outcomes achieved and assesses the impact of the strikes on the industry over time Thematic essays address

questions that can only be answered by looking at a variety of strikes across industries groups of workers and time such as why the number of strikes has declined since the 1970s or why there was a strike wave in 1946 The contributors include historians sociologists anthropologists and philosophers as well as current and past activists from unions and other social movement organizations Photos a Topic Finder a bibliography and name and subject indexes add to the works appeal

Century of Song Noah Lefevre,2024-09-24 Discover the Music that Changed Everything Embark on a complex and inspiring journey through the last 101 years as told through some of the most memorable hits and the artists behind them Noah Lefevre creator of Polyphonic explores how our favorite music does more than entertain From Aretha Franklin carving out her own space in what had been considered a man s world by reworking the chauvinistic lyrics to the 1967 s hit Respect to Doja Cat s successful backlash against toxic fans of the digital age from a broken amplifier on Rocket 88 ushering in the distorted sounds of rock n roll to Kendrick Lamar s release of Alright which became the unofficial anthem to the BLM protests each song mirrors the strife change and progress of our country s narrative In this rich and engrossing guide for music lovers everywhere you ll discover how a single song can make history Singing Out David King Dunaway,Molly Beer,2010-04-14 Singing Out An Oral History of America s Folk Music Revivals is a multi voiced historical narrative of the North American folk music revivals of the twentieth century culled from more than 150 oral history interviews from 1976 to 2006 among them Charles Seeger Pete Seeger Bernice Reagon and Arlo Guthrie *My Song is My Weapon* Robbie Lieberman,1989 In the late 1940s a left wing organization called People s Songs used their music as a battle cry for civil rights civil liberties and world peace They were inspired by Woody Guthrie led by Pete Seeger and sponsored by Aaron Copland Leonard Bernstein Oscar Hammerstein II and Paul Robeson among others Many members of the group were involved in musical and political activities that spanned twenty years and encompassed sweeping changes in the American political arena Jacket **Mountains of the Soul's Echoes** Pasquale De Marco,2025-05-02 Mountains of the Soul s Echoes is a captivating journey through the heart and soul of the Appalachian Mountains exploring the myriad ways in which its echoes have shaped the region and its people From the whispers of ancestral voices carried on the wind to the vibrant tapestry of culture and tradition the Appalachians have a tale to tell Within these pages readers will embark on a literary expedition delving into the rich history of the region uncovering the layers of time etched in rock and soil and listening to the stories whispered by ancient artifacts The echoes of faith and spirituality will resonate throughout the book as we explore the profound connection between the Appalachian people and the natural world Mountains of the Soul s Echoes also shines a light on the voices of marginalized groups often unheard or overlooked The experiences struggles and triumphs of Appalachian women LGBTQ individuals and those with disabilities are given a platform promoting inclusivity and celebrating the diversity that makes Appalachia so vibrant In an era of rapid change and global interconnectedness the Appalachian region faces both opportunities and challenges The book examines the impact of industry on the landscape explores

conservation efforts and discusses the ways in which Appalachian communities are adapting to the 21st century The power of education art and community initiatives in empowering Appalachian youth and shaping a brighter future for the region is also celebrated Throughout this exploration readers will encounter the voices of Appalachian writers artists activists and community leaders Their words their stories and their perspectives offer a kaleidoscope of insights into the Appalachian experience By listening to these voices we gain a deeper understanding of the region s past present and future and we are inspired by the resilience creativity and hope that continue to echo through the Appalachian Mountains Mountains of the Soul s Echoes is more than just a book it is an invitation to discover the soul of a region to listen to its echoes and to be inspired by its enduring spirit If you like this book write a review on google books *Tales for Little Rebels* Julia L. Mickenberg, Philip Nel, 2008-11 A rarely discussed aspect of children s literature the politics behind a book s creation has been thoroughly explored in this intelligent enlightening and fascinating account
