Tourism And The Less Developed World Issues And Case Studies:

Tourism and the Less Developed World David Harrison, 2001 Many less developed countries are expanding their tourism industries and these are seen to be crucial to their economic development Yet such activities can also create social cultural and environmental problems This book provides a review of many of the key issues involved in tourism in developing countries and presents a range of case studies These are interpreted from a perspective of the sociology and anthropology of development Case study chapters are presented from Africa Asia the Caribbean Latin America and Oceania The book provides essential reading for advanced students and researchers in tourism and development studies *The Wiley Blackwell Companion to Tourism* Alan A. Lew, C. Michael Hall, Allan M. Williams, 2014-06-03 The Wiley Blackwell Companion to Tourism presents a collection of readings that represent an essential and authoritative reference on the state of the art of the interdisciplinary field of tourism studies Presents a comprehensive and critical overview of tourism studies across the social sciences Introduces emerging topics and reassesses key themes in tourism studies in the light of recent developments Includes 50 newly commissioned essays by leading experts in the social sciences from around the world Contains cutting edge perspectives on topics that include tourism's role in globalization sustainable tourism and the state's role in tourism development Sets an agenda for future tourism research and includes a wealth of bibliographic references *Tourism in the Caribbean* David Timothy Duval, 2004-07-31 This book brings together a high calibre team of international researchers to provide an up to date assessment of the scope of tourism and the nature of tourism development in the Caribbean past present and future

Tourism Development Peter M. Burns, Marina Novelli, 2008 Making an empirical contribution to the understanding of tourism as a development mechanism in poor regions and countries this book looks at the successes and paradoxes of tourism in this role and considers why tourism as a catalyst for economic development can be a controversial device It offers a perspective on theoretical frameworks and uses international case studies covering both social and economic aspects The book is relevant to both tourism practitioners and academics It consists of 16 chapters in addition to an introduction and has a subject index

Tourism and Transition Derek R. Hall, 2004-01-01 Presents research on the roles and importance of tourism and its interrelationships with governance and development in societies that move from authoritarian to liberal democratic economic and political models and those adjusting to the accession requirements of an enlarged European Union

Tourism Geography Stephen Williams, 2009-06-02 Tourism is an intensely geographic phenomenon It stimulates large scale global movement of people and forges distinctive relationships between people and the places they visit It shapes processes of physical development and resource exploitation whilst the presence of visitors exerts a range of economic social cultural and environmental impacts that often have important implications for local geographies This second edition of *Tourism Geography* develops a critical understanding of how different geographies of tourism are created and maintained Drawing on both historical and contemporary perspectives the discussion which is in three main

parts connects tourism to key geographical concepts relating to globalization mobility new geographies of production and consumption and post industrial change Part one examines how spatial patterns of tourism are formed and evolve through time Part two offers an extended discussion of how tourism relates to places that are toured examining physical and economic development socio cultural and environmental relations and the role of tourism planning Part three develops a range of new material for this second edition that considers important contemporary influences upon tourism geographies including place promotion new forms of urban tourism heritage identity and embodied forms of tourism Featuring international case studies and supported by up to date statistics the text offers a concise yet comprehensive review of tourism geography and how geographers can interpret this important contemporary process Written primarily as a student text each chapter includes guidance for further study and summary bibliographies that form the basis for independent work

Tourism and Politics Peter M. Burns, Marina Novelli, 2007-03-14 Tourism and Politics aims to disseminate ideas on the critical discourse of tourism and tourists as they relate to politics through a series of case studies from around the world written by specialists with an emphasis on linking theory to practice That tourism is a profoundly important economic sector for most countries and regions of the world is widely accepted even if some of the detail remains controversial However as tourism matures as a subject the theories underpinning it necessarily need to be more sophisticated tourism cannot be simply read as a business proposition with a series of impacts Wider questions of politics power and identity need to be articulated investigated and answered While the making and consuming of tourism takes place within complex political milieux with multiple stakeholders competing for benefit the implications are not fully understood Literature on tourism and politics is surprisingly limited This book will make a substantial contribution to the theoretical framework of tourism

Tourism and Poverty Regina Scheyvens, 2012-03-28 1 Introduction 2 Poverty and tourism unpacked 3 Tourism entrenches poverty 4 Poverty attracts tourists 5 Tourism reduces poverty tourism industry approaches 6 Tourism reduces poverty government approaches 7 Tourism reduces poverty development agency approaches 8 Conclusion *Green Growth and Travelism* Terry DeLacy, Min Jiang, Geoffrey Lipman, Shaun Vorster, 2014-05-09 The green growth paradigm emerged from evolving global strategies that coherently promote a more socially inclusive low carbon resource efficient stable economy with decreasing poverty Opportunities and challenges associated with the paradigm shift are expected to transform the travel and tourism travelism sector in all respects and on a global scale This involves the transformation of the entire travelism value chain as well as the communities in tourism destinations However there is a lack of systematic reports on wide ranging and complex implications of the green growth paradigm for the travelism sector This book focuses on the twin pillars green growth and travelism as key building blocks in exploring an essential multi decade lifestyle change for planetary and human well being through the lenses of concept policy and practice It provides a conceptual discussion of the implications of the new development trend for key players in the travelism system offers case studies from both developed

and developing countries that highlight key issues in the transformation towards the green economy and explores the policy settings and frameworks on both the global and national levels that underpin travelism green growth This book offers tourism industry players academics students policy makers and practitioners a comprehensive discussion of the latest progress in green growth and travelism Pro-poor Tourism Colin Michael Hall,2007 Pro poor tourism is currently receiving enormous attention from the World Tourism Organization government industry and NGOs Through a series of cases and reviews this book provides one of the first assessments of the effectiveness of pro poor tourism as a development strategy and tackles the issue of who benefits from tourisms potential role in poverty reduction Critical Debates in Tourism Tej Vir Singh,2012 The book is a landmark volume which examines perplexing tourism debates such as the relevance of mass tourism climate change authenticity tourism and poverty and slow tourism Multidisciplinary in content it covers applied aspects of sociology anthropology humanities and biosciences The book is unique in its presentation and style and will be an essential resource for scholars academics and practitioners **Routledge Handbook of Tourism in Africa** Marina Novelli,Emmanuel Adu-Ampong,Manuel Aleator Ribeiro,2020-11-29 This book provides a comprehensive and readable overview of the critical debates and controversies around tourism in Africa and the major factors that are affecting tourism development now and in the future Drawing upon research emerging from collaborations between a growing number of African academics and practitioners based in the continent and in the African diaspora as well as international colleagues the Handbook offers key critical insights into the issues challenges and trends that Africa and African tourism is facing Part I covers continent wide issues such as climate change ICT heritage and development The remaining parts are organised along geographic lines with each chapter covering the development of tourism current trends and discussion of critical issues such as community participation gender backpacking urban tourism wildlife tourism and conservation Combining an overview of key theories concepts contemporary issues and debates this book will be a valuable resource for students academics and practitioners investigating the role of tourism in Africa **Sustainable Tourism in Island Destinations** Rachel Dodds,Sonya Graci,2012-07-26 Many of the world s islands are dependent on tourism as their main source of income It is therefore imperative that these destinations are managed for long term viability The natural appeal of a destination is typically one of its main tourism related assets yet the natural environment is also the feature most directly threatened by potential overexploitation Sustainable Tourism in Island Destinations builds on existing literature in the subject by providing innovative discussions and practical management structures through the use of the authors various island project work An original feature is the focus on islands which are part of larger nations rather than just on island sovereign states Through an illustrated case study approach the book focuses on the successes and challenges islands face in achieving sustainable tourism The authors put forward innovative mechanisms such as multi stakeholder partnerships and incentive driven non regulatory approaches as ways that the sustainability agenda can move forward in destinations that face specific challenges

due to their geography and historic development The case studies from Canada St Kitts Honduras China Indonesia Spain Tanzania and Thailand provide the foundation which suggests that alternative approaches to tourism development are possible if they retain sustainability as a priority

Tourism in Southeast Asia Michael Hitchcock, Victor T. King, Mike Parnwell, 2009 Tourism in Southeast Asia provides an up to date exploration of the state of tourism development and associated issues in one of the world's most dynamic tourism destinations The volume takes a close look at many of the challenges facing Southeast Asian tourism at a critical stage of transition and transformation and following a recent series of crises and disasters Building on and advancing the path breaking Tourism in South East Asia produced by the same editors in 1993 it adopts a multidisciplinary approach and includes contributions from some of the leading researchers on tourism in Southeast Asia presenting a number of fresh perspectives The volume combines introductory material with an in depth examination of anthropological writing on Southeast Asian tourism followed by case studies dealing with as diverse issues as globalization terrorism romance tourism and ecotourism
