Tourism Development Peter M. Burns,Marina Novelli,2008 Making an empirical contribution to the understanding of tourism as a development mechanism in poor regions and countries this book looks at the successes and paradoxes of tourism in this role and considers why tourism as a catalyst for economic development can be a controversial device It offers a perspective on theoretical frameworks and uses international case studies covering both social and economic aspects The book is relevant to both tourism practitioners and academics It consists of 16 chapters in addition to an introduction and has a subject index

Enhancement of Public Real-estate Assets and Cultural Heritage Lucia Della Spina,Francesco Calabrò,2021-01-21 The management of cultural heritage and public real estate assets is one of the most crucial challenges concerning the sustainable use of these resources involving dynamic methods to stimulate preservation development renewal and transmission to future generations of these essential assets The contributions presented in this book provide a rich and varied panorama of research experiences and innovative tools capable of promoting the re use of cultural heritage in European cities and cultural landscapes using a circular economy logic as a model of sustainable development From this point of view cultural capital becomes the driver of a regeneration process on the local urban and metropolitan scales in which the transversal interconnections between the production cycles of the adaptive re use of the available heritage both in the adaptation and in the management phase configure a circular process of multidimensional production of value Therefore future territorial redevelopment projects can

base their idea strength on an open system of appropriately selected social attractors whose enhancement and use have the objective of triggering widespread regeneration effects on the whole territory of influence receiving inducement and resources to progress *Rural Tourism and Enterprise* Ade Oriade, Peter Robinson, 2017-05-02 Marketing and management processes across industries can be very similar but contexts vary where political intervention public interest and local sustainability are involved The rural business setting is especially intricate due to the assortment of different business opportunities ranging from traditional agriculture to tourism enterprise and even high tech business Including pedagogical features and full colour throughout this new textbook provides an engaging and thought provoking resource for students and practitioners of tourism rural business and related industries *Student's Guide to Writing Dissertations and Theses in Tourism Studies and Related Disciplines* Tim Coles, David Timothy Duval, Gareth Shaw, 2013-05-02 Around the world every year very many students have to complete dissertations or theses as part of their undergraduate or masters studies in tourism and related subjects Often this substantial piece of self directed work is the culmination of their programmes More than just a means to consolidate their final grades it is also an exciting chance to research a topic of their choosing and a potential gateway to more advanced study as well as job offers and future career paths Yet for all these reasons many students view the dissertation as a tricky challenge This comprehensive book intends to take the stress and anxiety out of doing a dissertation in tourism studies and related disciplines The process is examined from the germination of an idea to the submission and assessment of the final document Written primarily for students conducting independent research for the first time this book offers simple advice and a clear framework which students can adopt even in more advanced studies at masters and doctoral level This book debunks popular myths and aims to overcome common pitfalls It focuses on the aims and objectives as the DNA of every dissertation Rather than view it as a single overwhelming project the dissertation is presented as a series of more modest manageable yet crucially inter linked tasks that all students can successfully complete through careful preparation and effective time management Dissertations are not to be underestimated and they demand great care and attention but they can also be immensely rewarding and enriching experiences academically and personally This jargon free book is also written with overseas students specifically in mind drawing directly on our overseas students experiences This valuable resource contains start of chapter learning objectives and end of chapter checklists as well as numerous boxed case studies to further help assist students through their dissertation Tourism Management Stephen J. Page, 2025-03-20 One of the leading texts in the field Tourism Management is the ideal introduction to the fundamentals of tourism as you study for a degree diploma or single module in the subject with a global focus This new edition focuses on the essential features of tourism management in a concise accessible and interactive format It is written in an engaging style that assumes no prior knowledge of tourism and builds up the reader's understanding as they progress through this wide ranging global review of the principles of managing tourism It traces the evolution and future development of tourism and

the challenges facing tourism managers in this fast growing sector of the world economy This seventh edition has been revised and updated to include new case studies both throughout the book and online with all case studies fully updated and new statistical material throughout to illustrate trends and themes more diagrams and graphs throughout to aid understanding and application of complex theory a greater global focus throughout a broader geographical spread of case studies derived from developed developing and emerging countries as tourism destinations new coverage of up to date trends and developments within the tourism industry including regenerative tourism carbon neutral tourism air taxis accessibility and diversity the cost of living crisis the effect of crises such as COVID 19 the rise of online travel agents innovations in digital tourism trust and tourism overtourism visitor management and anti slavery measures and fully updated online materials including PowerPoint slides online questions web case studies and weblinks This book is essential reading for all tourism students and future managers
