**Using Your Ministry Gifts** Les Crause, 2013-12 What Gifts do you Have When it comes to gifts and talents you might feel like you were the last in line when they were giving out the good ones And now when it comes to doing the work of the ministry you still feel the same Why is it that some people rise up quickly into powerful ministries and it all seems to fall into their laps But you and I have to struggle to be used by the Lord You Are Not Alone If you feel this way then you are not alone But now you can learn what is involved in doing the following 1 Finding Your Natural Gifts 2 Discovering Your Spiritual Abilities 3 Recognizing The Supernatural 4 Knowing what is from God and what is not 5 Understanding how the Holy Spirit gives gifts 6 Learning how the gifts operate 7 Learning how to receive new gifts 8 Flowing powerfully in these gifts No longer do you need to feel like you missed it and have to be satisfied with the gifts you have You can rise up and carry out the ministry that truly burns in you by finding the gifts you have receiving the gifts you do not have and releasing all of these together into the most fulfilling and effective ministry possible You will find it all in *Using Your Ministry Gifts Moving from I to We* Paul Ford, 2014-02-27 If you think you're frustrated with church leadership in America imagine how God must feel Dr Paul R Ford illumines key Scripture passages to exhort readers to go back to the Spirit led form of leadership God intends for the accomplishment of his kingdom work By proving that leadership in the body of Christ is to be a series of functions to be fulfilled by a group of people not just key leaders Ford inspires a collective sigh of relief and energizes us to move forward God's way What a difference that would make

**Spirit and Power**

William W. Menzies, Robert P. Menzies, 2011-05-03 The times have long passed when Pentecostals were viewed as Protestantism's untouchables. Today the shock waves from Azusa Street have influenced countless Evangelicals worldwide. But if dialogue between Pentecostals and Evangelicals has awakened within the latter a thirst for the power of God's Spirit, it has challenged Pentecostals to examine their theology more deeply in the light of his Word. Just how firm is the biblical foundation on which they stand? Spirit and Power provides a cutting edge look at Pentecostal theology. It addresses the concern expressed by its authors and echoed throughout charismatic churches today. Although our Pentecostal forefathers intuitively grasped the correlation between the reality they experienced and the promise of Acts 1:8, they did not always articulate their theology in a manner that was convincing to other believers committed to the authority of Scripture. In response, theologians William and Robert Menzies explore Pentecostalism in a scholarly and current light. Spirit and Power is no mere paraphrase of dated approaches. It is a fresh and penetrating look at the whys and wherefores of Pentecostal doctrine that sets a new standard for Spirit-filled theology. Whatever your persuasion may be, as a Christian, this book's thoughtfulness, balance, and biblical integrity will help you appreciate more fully the strengths of the Pentecostal stance. Laying the groundwork for an accurate understanding of Luke's writings, in particular, the authors help you grasp the foundations of Pentecostal theology from the standpoints of history, hermeneutics, and exegesis. Then, in Part Two, they give you an in-depth look at specific Pentecostal concerns: the baptism of the Holy Spirit as a blessing subsequent to salvation; evidential tongues, signs, and wonders; healing in the atonement; and more. You'll deepen your understanding of the basis for Pentecostal beliefs. And you'll gain a feel for the mutually beneficial dialogue that continues between Pentecostals and Evangelicals today.

**The Healing Presence** Leanne Payne, 1995-08 Leanne Payne explains the basis of her counseling ministry: Christ's indwelling presence that brings the power of the incarnation into wounded lives.

**The Art of Following** Dr. Gene Herndon, 2013-07-23 Art is defined as a skill acquired by experience, study, or observation. In this hard-hitting book, Pastor Gene Herndon reveals robust and actionable answers to many of the pressing questions concerning ministry. Although punctuated with tongue and cheek humor, this book is not for the faint of heart. It is a blunt and raw look into what it takes to pay the price to have successful ministries. Whether you are supporting in the home, helping ministry, or moving into the five-fold leadership, this book is a classic must-have to help prepare yourself and those who support and help you for lasting ministry. Too many firecracker ministries have come and gone, and longevity is the key. Warning: this book is for the mature and will give you insights to what most seasoned ministers know but rarely will tell.
