Waking Up In The Wrong Body Waking Up In The Wrong Body:

Waking up in the Wrong Body Tommy Gilbert, 2012-12-03 I am writing this book to clear up a few misunderstandings and wrong beliefs about the dual sexuality beings community which you call the gay community And that is it is not their personal choice to be different it is just who they are Secondly dual sexuality beings are born with an unknown but coming disorder which is called the dual sexuality genetic disorder Third and most importantly this book is also a wakeup call to all people both heterosexual and dual sexuality people to open their minds to new and different ideas to get out of the old negative ways of thinking that you have been taught through your life so that you can free your spirit My main subject in this book is talking about the dual sexuality beings community The most important message to be found is that we need to love and respect each other as human beings and learn to respect each other because God created us different not to despise each other but to love each other

The Body Is Not an Apology Sonya Renee Taylor, 2018-02-13 The Body Is Not an Apology The Power of Radical Self Love Against a global backdrop of war social upheaval and personal despair there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our shared humanity Rather than feel helpless in the face of oppression world renowned activist performance poet and author Sonya Renee Taylor teaches us how to turn to the power of radical self love in her new book The Body Is Not an Apology Radical self love is the guiding framework that transforms the learned self hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion equity and justice In a revolutionary departure from the corporate self help and body positivity movement Taylor forges the inextricable bond between radical self love and social justice The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self hatred When we ask ourselves Who benefits from our collective shame we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth This book moves us beyond our all too often hidden lives where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others Radical self love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength In doing this we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them Systems of oppression thrive off of our inability to make peace with bodies and difference Radical self love not only dismantles shame and self loathing in us but has the power to dismantle global systems of injustice because when we make peace with our bodies only then do we have the capacity to truly make peace with the bodies of others

When the Lightning Strikes Lucía Ashta, 2022-06-29 I need more magic like I need a point blank bullet to the head All that dragon power Rhett's already given me is churning around inside me causing as much trouble as the great poohbah dragon protector himself and he's trouble walking in a pair of perfectly fitting jeans Regardless of my desires and I've got lots of them thanks to the two men who won't stop shooting suggestive looks my way more magic

is exactly what I've got plus a whole band of dragon shifters without it heh pointing fingers at me for taking what they think is theirs Oopsie Still no matter the hissy fits they throw finders keepers losers weepers applies extra when it comes to power Especially since I've got no idea how to give any of it back or how to properly use it either for that matter And that's before Zeke wants to share some of his magic with me Oy These men are intent on driving me batty Life in Traitor's Den usually crazy enough to keep me on my toes has never seemed quite so over the top outrageous Denners and our unexpected guests are keeping me busier than a cat on a hot tin roof When you add in all the resurrections well bring on the extra nuttiness But when saving my best friend Birdie's life involves her kissing Zeke my quasi vampire my man I wholly embrace the unofficial motto of Traitor's Den Behaving is for losers Honey I ain't no loser Armed with my girls Big Bertha and Big Wilma the best six shooters a woman could ask for I'm off to protect what's mine Now if only that list weren't growing A sexy fantasy western with growly shifters sketchy vamps peculiar mages and creatures and one badass cowgirl sheriff Within this small town magic and gossip flow as freely as whiskey and work and pleasure are nearly the same thing Weird things happen on the regular in Traitor's Den Come and join the quirky family where everyone's packing Oh and don't mind the tiger Loretta Maybelle Ray is hot stuff When several fine cowboys vie for her affections this series becomes a reverse harem Though this series does not contain curse words but rather a comical variation of them it contains slow burn romance that eventually leads to sex on the page with more than one man Each book in the Six Shooter and a Shifter series is a full length novel that ends on a cliffhanger However a happily ever after is guaranteed for the series finale **Broken Bridge Lies Body of**
