

WALDEN TWO

A decorative laurel wreath border, rendered in gold, encircles the author's name. The wreath is composed of two branches of leaves and berries that curve upwards and then downwards to meet at the bottom.

B. F. SKINNER

Walden Two Hackett Classics

Kevin L. Jensen

Walden Two Hackett Classics:

Walden Two B. F. Skinner, 2005-07-15 A reprint of the 1976 Macmillan edition This fictional outline of a modern utopia has been a center of controversy ever since its publication in 1948 Set in the United States it pictures a society in which human problems are solved by a scientific technology of human conduct

Introduction to the Physics of Electron Emission Kevin L. Jensen, 2024-08-19 A practical in depth description of the physics behind electron emission physics and its usage in science and technology Electron emission is both a fundamental phenomenon and an enabling component that lies at the very heart of modern science and technology Written by a recognized authority in the field with expertise in both electron emission physics and electron beam physics An Introduction to Electron Emission provides an in depth look at the physics behind thermal field photo and secondary electron emission mechanisms how that physics affects the beams that result through space charge and emittance growth and explores the physics behind their utilization in an array of applications The book addresses mathematical and numerical methods underlying electron emission describing where the equations originated how they are related and how they may be correctly used to model actual sources for devices using electron beams Writing for the beam physics and solid state communities the author explores applications of electron emission methodology to solid state statistical and quantum mechanical ideas and concepts related to simulations of electron beams to condensed matter solid state and fabrication communities Provides an extensive description of the physics behind four electron emission mechanisms field photo and secondary and how that physics relates to factors such as space charge and emittance that affect electron beams Introduces readers to mathematical and numerical methods their origins and how they may be correctly used to model actual sources for devices using electron beams Demonstrates applications of electron methodology as well as quantum mechanical concepts related to simulations of electron beams to solid state design and manufacture Designed to function as both a graduate level text and a reference for research professionals Introduction to the Physics of Electron Emission is a valuable learning tool for postgraduates studying quantum mechanics statistical mechanics solid state physics electron transport and beam physics It is also an indispensable resource for academic researchers and professionals who use electron sources model electron emission develop cathode technologies or utilize electron beams

The Individual and Utopia Clint Jones, Cameron Ellis, 2016-03-09 Central to the idea of a perfect society is the idea that communities must be strong and bound together with shared ideologies However while this may be true rarely are the individuals that comprise a community given primacy of place as central to a strong communal theory This volume moves away from the dominant current macro level theorising on the subject of identity and its relationship to and with globalising trends focusing instead on the individual s relationship with utopia so as to offer new interpretive approaches for engaging with and examining utopian individuality Interdisciplinary in scope and bringing together work from around the world The Individual and Utopia enquires after the nature of the utopian as citizen demonstrating the inherent value of making the

individual central to utopian theorizing and highlighting the methodologies necessary for examining the utopian individual The various approaches employed reveal what it is to be an individual yoked by the idea of citizenship and challenge the ways that we have traditionally been taught to think of the individual as citizen As such it will appeal to scholars with interests in social theory philosophy literature cultural studies architecture and feminist thought whose work intersects with political thought utopian theorizing or the study of humanity or human nature

Inspecting Psychology David Cohen,2021-11-01 Inspecting Psychology takes a sleuth s magnifying glass to the interplay between psychology psychiatry and detective fiction to provide a unique examination of the history of psychology As psychology evolved over the centuries so did crime writing This book looks at how the psychological movements of the time influenced classic authors from Agatha Christie and Arthur Conan Doyle to Dorothy Sayers and Georges Simenon to reveal an enduring connection between psychology and the human need to solve mysteries Some key puzzles Why did Agatha Christie make so many doctors killers in her books Why did Simenon not become a psychiatrist Did Lord Peter Wimsey have all the charm passion and tenderness no lover gave Dorothy Sayers Beginning with the earliest origins of psychology in Greek literature alongside the Oedipal story and the ideas of Aristotle the book travels through to the late 18th and 19th centuries and the work of Edgar Allan Poe who wrote the first detective story proper With the birth of modern psychology in the late 19th century the growing fascination with understanding behaviour coincided with the popular whodunnit Readers are whisked through the development of psychology in the 20th century and beyond from the impact of shell shock in the First World War and the early understanding of mental illness through to the growth of psychoanalysis and the ideas of Freud behaviourism and attachment theory At every stop on this original rattle through history David Cohen reveals the influence these psychological movements had on crime writers and their characters and plots The result is a highly enjoyable engaging read for those interested in how the unique pairing of the history of psychology with the history of the detective novel can unveil insights into the human condition It should appeal to anyone interested in psychology who wants their subject served with a thriller on the side

737 Wild Apples by Henry David Thoreau (English Classics737 Wild Apples by Henry David Thoreau) (Henry David Thoreau),2022-07-23 Wild Apples by Henry David Thoreau 1862 Transcendentalist Anarchist 1846 Ecologist Henry David Thoreau 1817 1862 1862 Atlantic Monthly Cape Walden Pond MSG Wild Apples by Henry David Thoreau 1862 The History of The Apple Tree How The Wild Apple Grows The Fruit and Its Flavor Their Beauty The Naming of Them 1862 American Civil War 1861 1865 TTN Korea English Classics B THE HISTORY OF THE APPLE TREE It is remarkable how closely the history of the Apple tree is connected with that of man The geologist tells us that the order of the Rosace which includes the Apple also the true Grasses and the Labiat or Mints were introduced only a short time previous to the appearance of man on the globe Niebuhr observes that the words for a house a field a plough ploughing wine oil milk sheep apples and others relating to agriculture and the gentler ways of life agree in Latin and Greek while the Latin words for all objects pertaining to war or the chase are utterly alien from the Greek Thus the apple tree may be considered a symbol of peace no less than the olive Karl

Paul Reinhold Niebuhr 1892 1971 HOW THE WILD APPLE GROWS Through what hardships it may attain to bear a sweet fruit Though somewhat small it may prove equal if not superior in flavor to that which has grown in a garden will perchance be all the sweeter and more palatable for the very difficulties it has had to contend with Who knows but this chance wild fruit planted by a cow or a bird on some remote and rocky hillside where it is as yet unobserved by man may be the choicest of all its kind and foreign potentates shall hear of it and royal societies seek to propagate it though the virtues of the perhaps truly crabbed owner of the soil may never be heard of at least beyond the limits of his village THEIR BEAUTY Almost all wild apples are handsome They cannot be too gnarly and crabbed and rusty to look at The gnarliest will have some redeeming traits even to the eye You will discover some evening redness dashed or sprinkled on some protuberance or in some cavity It is rare that the summer lets an apple go without streaking or spotting it on some part of its sphere THE FROZEN THAWED APPLE What are the imported half ripe fruits of the torrid South to this fruit matured by the cold of the frigid North These are those crabbed apples with which I cheated my companion and kept a smooth face that I might tempt him to eat Now we both greedily fill our pockets with them bending to drink the cup and save our lappets from the overflowing juice and grow more social with their wine Was there one that hung so high and sheltered by the tangled branches that our sticks could not dislodge it Index Prologue TTN Korea English Classics 999 7 16 Henry David Thoreau 1817 1862 01 Transcendentalist 1817 1862 02 Inventor 1821 03 Ecologist 300 36 1844 04 Anarchist 1846 05 A Week on the Concord and Merrimack Rivers 1849 06 On the Duty of Civil Disobedience 1849 07 Abolitionist Slavery in Massachusetts 1854 08 Walden 1854 09 Walden 1854 10 Ralph Waldo Emerson 1803 1882 11 Henry David Thoreau 12 1976 Walden 1854 13 United States Postal Service U S postage stamp 1967 14 Henry David Thoreau TOP12 15 Audio Books Henry David Thoreau 16 Henry David Thoreau Quotes 100 Wild Apples by Henry David Thoreau 1862 The History of The Apple Tree The Wild Apple The Crab How The Wild Apple Grows The Fruit and Its Flavor Their Beauty The Naming of Them The Last Gleaning The Frozen Thawed Apple Appendix The Hitchhiker s Guide to Worlds s Classics A01 Harvard Book Store 100 Staff s Favorite 100 Books 100 Top 100 Books A02 100 A03 200 A04 100 A05 60 A06 100 A07 Humanitas College 100 A08 100 A09 KAIST 100 A10 44 A11 English Classics 5 How to listen to FREE audio Books legally A12 Movies and TV Shows Based on English Classic Books TTN Korea English Classics 999 TTN Korea 1 591 TTN Korea English Classics 999 TTN Korea English Classics 999 free public domain audioBooks LibriVox TTN Korea English Classics 999 Henry David Thoreau Collection 14 Essays and Poetry of Henry David Thoreau 7 020 English Classics020 Walden and On The Duty Of Civil Disobedience by Henry David Thoreau 736 English Classics736 Excursions by Henry David Thoreau 737 English Classics737 Wild Apples by Henry David Thoreau 738 English Classics738 The Service by Henry David Thoreau 739 English Classics739 Essays by Henry David Thoreau 740 English Classics740 Poems of Nature by Henry David Thoreau 741 English Classics741 Excursions and Poems by Henry David Thoreau Travelogue of Henry David Thoreau 4 742 English Classics742 Cape Cod by Henry David Thoreau 743 English Classics743
