

# My Boundaries

A boundary is a rule that you create for yourself about how other people are allowed to treat you. You get to choose how comfortable you are with the things that others say or do to you. You also get to decide what and how much information you want to share with others. Use this handout to learn more about boundaries and answer the questions below to figure out what your boundaries look like!

## ***Boundaries include:***

### **HOW OTHERS TOUCH YOU**

What kind of touch do you allow from a friend? A family member? A stranger?

If you ever feel uncomfortable or unsafe because someone is "crossing" your boundary, it is best to stand up for yourself and let them know.

### **PERSONAL SPACE**

Who is able to stand close to you? How close do you want them to be?

### **HOW OTHERS TALK TO YOU**

How do you want others to speak to you? Who is allowed to call you by a nickname?

### **WHAT OTHERS KNOW ABOUT YOU**

Who do you share your feelings and secrets with? Who is allowed to know where you live or how to find you?

## ***Do other people have boundaries too?***

Yes! Other people have rules too about how you can treat them and how much they want you to know about them. It is important to remember this and to be respectful of the boundaries that they set for themselves!
