Walking In The Dust Of Rabbi Jesus:

Walking in the Dust of Rabbi Jesus Lois Tverberg, 2012-03-06 In this ebook download of *Walking in the Dust of Rabbi Jesus* Lois Tverberg challenges readers to follow their Rabbi more closely by reexamining his words in the light of their Jewish context Doing so will provide a richer deeper understanding of his ministry compelling us to live differently to become more Christ like We ll begin to understand why his first Jewish disciples abandoned everything to follow him to live out his commands Our modern society with its individualism and materialism is very different than the tight knit family oriented setting Jesus lived and taught in What wisdom can we glean from his Eastern biblical attitude toward life How can knowing Jesus within this context shed light on his teachings for us today In *Walking in the Dust of Rabbi Jesus* we ll journey back in time to eavesdrop on the conversations that arose among the rabbis of Jesus day and consider how hearing Rabbi Jesus with the ears of a first century disciple can bring new meaning to our faith And we ll listen to Jewish thinkers through the ages discovering how ideas that germinated in Jesus time have borne fruit Doing so will yield fresh practical insights for following our Rabbi s teachings from a Jewish point of view

Everest Media, 2022-05-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The Last Supper by Leonardo da Vinci was one of the most well known images of all time It was left unprotected from pollution and humidity and it had been darkened by five hundred years of dust mold and candle soot But it was restored in 1999 and its original beauty was revealed 2 The Pool of Siloam was the main source of fresh water within Jerusalem s walls It was discovered in 2004 and archaeologists found a wide stepped first century street that leads from the pool up to the Temple It would have been the final steps of ascent for pilgrims after days or weeks of traveling to celebrate the feasts 3 The Pool of Siloam played a part in the ministry of Jesus Each night of the joyous Feast of Tabernacles the high priest would parade down this street amid great fanfare and fill a golden pitcher with living water from the pool On the last day of the feast the priest would pour the living water onto the sacrificial pyre 4 The field of biblical archaeology is the study of the Bible in the land of Israel and it can help you understand the Bible better It can help you understand the Bible s importance in history and culture and it can shed light on difficult chapters

Jesus' Table Talk Scott Townsend,2019-04-23 This book will guide the reader through a variety of passages of Scripture recorded in the Gospel of Luke that placed Jesus at the dinner table The stories represented in the passages of Scripture demonstrate a number of situations into which Jesus was either thrust or into which he placed himself My desire with this book is to encourage the reader to come back to what is important the table but more crucially to recognize the importance of engaging people around a proverbial table with whom you may not normally associate The purpose of this book is to challenge your thinking as a believer regarding people s needs and how you might meet them and to challenge your view of contemporary Christianity and the hypocrisy with which we are so often accused Finally I hope to make Jesus s table talk a welcome part of your faith and life as a believer

His Name Is Yeshua Leo Vanderploeg,2025-03-31 In the West most of us Christians have grown up using names like Jesus Old Testament New Testament and the Law without realizing the real history behind these titles Did you know that the name Jesus is less than four hundred years old and has no meaning In what climate did this non Jewish name appear in church history Did you know that the Old New Testament division was created by a church heretic who hated the Old Testament We have also likely been raised with a subtle antisemitism beginning with Bible schools and seminaries that brush off the importance of the Hebrew language of studying the language for the layperson and the importance of names in the Bible Often there is a prejudice against rabbinic thinking and commentary of God s Word So if we have a library of books about the Scriptures we may have a disproportionate number of commentaries written by non Jews I ve met enough pastors who only had one Jewish commentary if any As we are fed by very what I call Greekish thinking I ve even met people who were upset to find out Jesus was a Jew and his real name was Yeshua Have you discovered that the New Testament though written in Greek is grounded in Hebrew thought Did we forget which people group gave us the Scriptures Many leaders of the church do not even know the place or role of the Jews in the end

times as they believe they have no importance at all anymore Did this lack of knowledge have anything to do with the holocaust This book may be instrumental for today s church that it wakes up to some fundamental truths that we never knew or forgot May this book be a blessing to you Shalom Leo **The Childlike Kingdom** Jay J. Anderson, 2025-02-27 O Father Lord of heaven and earth thank you for hiding these things from those who think themselves wise and clever and for revealing them to the childlike Yes Father it pleased you to do it this way JESUS This book crayons and cartoons notwithstanding really isn t a children s book Yet at its heart that s exactly what it is It s kind of hard to explain which is probably why the author uses so many colors and pictures though that s not the only reason As a starting point let s agree it s a book alphabet for kids of all ages especially those who have experienced a few more birthday parties and Christmas mornings And for Anderson s first word play it is also a book filled with truth that is for all times all places and all people all ages After all the eternal words of Jesus will be front and center from start to finish The call of Jesus to his kingdom requires we become and live childlike So what does that sound like look like and live like Oh and play like You are invited by the King to enter The Childlike Kingdom
