novels newspapers reviews social media and other sources It's irreverent branding is not always a deadly serious business It's intimate Stephen speaks to you directly and together you will pick your way through the sometimes weird and unfailingly wonderful world of brands and branding using examples rather than abstract ideas to illustrate points It's inspirational celebrating the curious and successful stories of brands from Cillit Bang to Cacharel Suitable for first and second year marketing or advertising students and for those new to or interested in branding and who are keen to know more
