

Walt Disney

AND THE PROMISE OF
Progress City

The book cover features a stylized illustration. In the foreground, a large, dark silhouette of a person's head and shoulders is shown in profile, looking towards the right. In the background, a bright orange, modernist-style building with a tall, thin spire stands on a green, hilly landscape. Several bright blue beams of light radiate from behind the building, extending across the dark blue sky. The overall aesthetic is mid-20th-century modernist.
