Relics List ,1990 **DUKE** Rozlan Mohd Noor,2021-03-16 For fans of Jo Nesb Ian Rankin and John Burdett a gripping crime thriller that is steeped in the grit and feel of the street Inspector Mislan Latif is my kind of detective Harry Bosch would ride shotgun with him any time Michael Connelly In the run up to the Eid holiday the police department is drained of staff and the DUKE expressway jammed with vehicles as many in Kuala Lumpur leave the capital to celebrate the end of Ramadan with their extended families In the slow lane a Mercedes E200 suddenly veers after several bright flashes and comes to rest against the guardrail When the highway patrol arrives what looked like a traffic accident turns out to be an apparent murder suicide of the driver and his female passenger both having suffered gunshot wounds Yet called to lend a hand with the investigation Inspector Mislan finds something else again The dead man and woman a wealthy politically connected entrepreneur and his business associate were by all appearances engaged in a long term affair seemingly in love and the crime scene doesn't add up for suicide But then if these two successful people were murdered why And how when the car was locked from the inside And why does the political establishment want the case closed in such an awful hurry Once again Mislan must find a way with the help of his team and his politically savvy boss to withstand the pressure from above solve an impossible mystery and ensure that justice prevails Soldier Spies W.E.B. Griffin,2000-05-01 Griffin's plot stays hot and moves at quicksilver speed Kirkus Reviews Two Americans in the just born Office of Strategic Services take on their most important assignment during World War II to extract or eliminate those Germans with the expertise to develop the atomic bomb Fallen Prince Jon Dietz,2021-12-28 John Kennedy like Marcus Aurelius two thousand years ago served at the apex of his country's power and glory His life was only half over when an assassin's bullet took him away from his countrymen and his family For those who were alive in 1963 his violent death was a bigger jolt than the natural death of Franklin Delano Roosevelt in 1945 Kennedy has been gone now for fifty eight years The controversy surrounding his death has never abated Half the country believes Lee Harvey Oswald was the sole architect of the murder The other half believes the government hid the real conspiracy The sands of time have finally revealed the actual actors responsible Fallen Prince is a political thriller involving interaction between historical and fictional characters The goal is to finally name the men who ended Camelot after one thousand days A secondary goal is to entertain readers who love history and drama
