Ifá Will Mend Our Broken World 'Wande Abimbola, 1997 This book is a series of interviews with Wande Abimbola on various aspects of Yoruba life religion and culture in West Africa and the Americas It focuses on contemporary and historic Yoruba culture in Brazil Cuba and the United States of America

The Sacred and the Feminine Griselda Pollock, Victoria Turvey-Sauron, 2007-11-28 The notion of a special intimacy between the feminine and the sacred has received significant attention since the publication of Julia Kristeva and Catherine Clement's famous ecumenical conversation of the same name which focussed on the relationship between meaning and the body at whose interface the feminine is positioned Brought to the wider public as the sacred feminine it has also made its mark on popular culture Taking up the debate and moving beyond anthropology or theology writers from varied ethnic geo cultural and religious perspectives here join with secular cultural analysts to explore the sacred and the feminine in art architecture literature art history music philosophy theology critical theory and cultural studies The book addresses key issues in feminist questions of creativity the imaginary and the sacred as otherness exploring the ways in which visual practices have explored this rich contested and highly charged territory

Santería Joseph M. Murphy, 2011-08-01 Santería represents the first in depth scholarly account of a profound way of wisdom that is growing in importance in America today A professional academic and himself a participant in the Santería community of the Bronx for several years Joseph Murphy offers a powerful description and insightful analysis of this African Cuban religion He traces the survival of an ancient spiritual path from its West African Yoruba origins through nearly two centuries of slavery in the New World to its presence in the urban centers of the United States where it continues to inspire seekers with its compelling vision

Maize and Grace James

McCann,2005-03-28 Around 1500 A D an African farmer planted a maize seed imported from the New World That act set in motion the remarkable saga of one of the world s most influential crops This compelling history offers insight into the profound influence of maize on African culture health technological innovation and the future of the world s food supply

Myth, Ritual, and Visible Expressions of Obàtálá and Olókun in Ilé-Ife` Oluwafunminiye Wasiu Raheem,Ayowole S. Elugbaju,2024-10-29 In Myth Ritual and Visible Expressions of O b t l and Ol kun in Il If Oluwafunminiye Wasiu Raheem and Ayowole S Elugbaju explore O b t l s the Yor b deity of creation and Ol kun s the preeminent owner of the ocean existence in myth history and religion through various facets of pan human worship belief and everyday ritual practices Raheem and Elugbaju explore Yor b history culture and religion to provide an extensive analysis of core themes in O b t l s and Ol kun s stories They argue for a more complex reading of O b t l beyond the often sustained and single narrative of struggle and defeat as well as a more nuanced reading of Ol kun as a holy well beyond its popular exemplification of a female deity of wealth childbirth and preeminent owner of the world s ocean Drawing from oral accounts chants folk songs praise poems and verses from the If corpus the authors provide new insights into the worlds of both deities hitherto missing in the literature

African Indigenous Religious Traditions in Local and Global Contexts Ogungbile, David O.,2015-09-23 This volume honours one of the great scholars of our era Professor Jacob Olupona Although he has conducted significant portions of his career outside of Nigeria he has not separated himself from his colleagues or from interests in religions in Nigeria and elsewhere in Africa His publications and presentations offer the international scholarly community important critical insights into a range of religious activities life ways and ideas originating in Africans and the African Diaspora In spite of the diversity in the thoughts and opinions expressed and equally of the range of disciplines and topics contained in the book one can say that the contributors have developed a shared concern about the role of African Indigenous Religious Traditions in the processes of development and the context within which it development had or is taking place The book guides us to a deep understanding and appreciation of how Africans in their varied situations grapple with existential problems through philosophical ruminations complex ritual processes cultivated memory and organized coping strategies **Sàngó in Africa**

and the African Diaspora Joel E. Tishken,Toyin Falola,Akintunde Akinyemi,2009-06-22 S ng in Africa and the African Diaspora is a multidisciplinary transregional exploration of S ng religious traditions in West Africa and beyond S ng the Yoruba god of thunder and lightning is a powerful fearful deity who controls the forces of nature but has not received the same attention as other Yoruba orishas This volume considers the spread of polytheistic religious traditions from West Africa the mythic S ng the historical S ng and syncretic traditions of S ng worship Readers with an interest in the Yoruba and their religious cultures will find a diverse complex and comprehensive portrait of S ng worship in Africa and the African world

Fragments of Bone Patrick Bellegarde-Smith,2005 The bones of Pierre Toussaint the first proposed African American Catholic saint were disinterred and spread around in the New World In his introduction Patrick Bellegrade Smith suggests

the same is true of the religious practices that peoples of African descent and victims of the Atlantic slave trade brought with them *Fragments of Bone* examines the evolution of these religions as they have been adapted and recontextualized in various New World environments The essays in *Fragments of Bone* discuss African religions as forms of resistance and survival in the face of Western cultural hegemony and imperialism The collection is unique in presenting the voices of scholars primarily outside of the Western tradition speaking on the issues they as practitioners regard as important Bellegarde Smith himself a priest in the Haitian Vodou religion brings together thirteen contributors from different disciplines genders and nationalities

Divining the Self Velma E. Love, 2012-10-25 *Divining the Self* weaves elements of personal narrative myth history and interpretive analysis into a vibrant tapestry that reflects the textured embodied and performative nature of scripture and scripturalizing practices Velma Love examines the Odu the Yoruba sacred scriptures along with the accompanying mythology philosophy and ritual technologies engaged by African Americans Drawing from the personal narratives of African American Ifa practitioners along with additional ethnographic fieldwork conducted in Oyotunji African Village South Carolina and New York City Love's work explores the ways in which an ancient worldview survives in modern times *Divining the Self* also takes up the challenge of determining what it means for the scholar of religion to study scripture as both text and performance This work provides an excellent case study of the sociocultural phenomenon of scripturalizing practices
