The Bible Exposed - Why God has Left the Building Keith Crowley, 2012-07-19 In The Bible Exposed Why God has left the building the author deconstructs many of Christianity's most cherished illusions He lifts the lid off the Christian Bible's collection of scientific errors ancient myths legends and constant contradictions and demonstrates that the Bible can only be a man made artefact untouched by divine involvement or inspiration The difference between what the Bible actually says and what Christianity teaches will astonish you For instance who killed Goliath Everyone thinks that they know the answer Everyone is amazed when they read what the Bible actually says **The Four Crucial Elements of the Bible -- Christ, the Spirit, Life, and the Church** Witness Lee, The Bible has its kernel its life its center which is constituted with the church Christ the Spirit and life These four items are the contents of the true substance of the Bible The revelation of the Bible particularly the New Testament stresses these four matters the church Christ the Spirit and life If we remove these four items from the New Testament all that remains would merely be dead letters These four crucial elements are also the four important items in the Lord's recovery today Hence we must all have a deep impression a fresh light and a renewed understanding concerning these four crucial elements Four Crucial Elements of the Bible--Christ, the Spirit, Life, and the Church Witness Lee, 1998-12 *Anointing With Oil* Eastwood Anaba, 2013-09-30 Using anointing oil to minister to people is a controversial issue among believers Some believers detest its use so much that they walk out of meetings when it is used The aim of this book is to give us biblical insight into the purpose of the anointing oil and how it can be used for the edification and blessing of believers With regard to this subject we don't have to condemn others for their position It is

scriptural to use anointing oil in ministration but not mandatory The law of liberty allows those whose faith is enhanced by the use of the oil to use it and those whose faith does not require it not to use it Those who use it are not more spiritual than those who don't use it and those who don't use it don't necessarily have more faith in the Word of God than those who use it

Kleptomaniac: Who's Really Robbing God Anyway? Frank Chase Jr, 2016-06-14 KLEPTOMANIAC Who's Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the land the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel's history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially

when economic times get tough for people who may not be able to give much From the very beginning to the end of the book everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving
