A Treacherous Paradise Henning Mankell, 2013-07-09 From the internationally acclaimed author of the Wallander crime series a dramatic new standalone novel set in turn of the century Sweden and Mozambique whose indomitable female protagonist is awoken from naiveté by her exposure to racism and by her own unexpected inner strengths. Cold and poverty define Hanna Renström's childhood in remote northern Sweden and in 1905 at 19 she boards a ship for Australia in hope of a better life. But none of her hopes or fears prepares her for the life she will lead. After 2 brief marriages she finds herself a widow twice over and the owner of a bordello in Portuguese East Africa a world where colonialism and white supremacy rule where she is isolated within society by her profession and her sex and among the bordello's black prostitutes by her colour. As Hanna's story unfurls over the next several years we watch her in this treacherous paradise as she wrestles with a constant wrenching loneliness and with the racism she's meant to unthinkingly adopt. And as her life becomes increasingly intertwined with the prostitutes she moves inexorably toward the moment when she will make a decision that defies every expectation society has of her and more importantly those she has of herself.
