Where the Rivers Run Deep L.R. Holder, 2013-05-08 AND IN THE FACE OF ALL DISENCHANTMENT AND BROKEN DREAMS SHE MUST PREVAIL In the quest for a career a good life but more importantly to protect her own children from the trickery of life itself One full of disappointments and psychological trauma and one that could mirror hers she vows to provide for them in every way and to help them achieve their own potentials She must conquer all adversities on her journey but fears of the unknown and what lies ahead has driven her to the point of obsession until the only person she now fears is herself Beaten and bruised penniless homeless and at times feeling worthless she must persevere face each new day with a smile although she is screaming on the inside and is almost almost just thoughts away from giving up But she is determined to put up a fight one that will see her through and even when she is knocked down when the pain seems unbearable when there are no more tears left she must go on She would not be defeated gathering strength from her passion and ambition and from the prayers of her dear mother she gets up after each knock back dust herself off stand tall and is ready to take on next challenge or obstacle SURE to come her way The Victoria Regia Lily is the national Flower of Guyana **Three Rivers Run Deep A Pittsburgh Poet's Anthology** Dessie Bey, *Where the Rivers Run North* Sam Morton, 2014-06-03 ONE

HUNDRED THOUSAND TRAVELERS had crossed the Oregon Trail during the gold rush of 1849 Even the most backwoods warrior understood what that meant disease death and conflict with the whites As a result of the Treaty of 1851 some Indians were convinced that the country to the north called Absaraka might be a better option for a home range At the very least it held the promise of less trouble from the whites The danger from other tribes was another matter When the Rivers Run Dry, Fully Revised and Updated Edition Fred Pearce, 2018-08-28 A new edition of the veteran science writer's groundbreaking work on the world's water crisis featuring all new reporting from the most recent global flashpoints Throughout history rivers have been our foremost source of fresh water for both agriculture and individual consumption but looming water scarcity threatens to cut global food production and cause conflict and unrest In this visionary book Fred Pearce takes readers around the world on a tour of the world's rivers to provide our most complete portrait yet of the growing global water crisis and its ramifications for us all With vivid on the ground reporting Pearce deftly weaves together the scientific economic and historic dimensions of the water crisis showing us its complex origins from waste to wrong headed engineering projects to high yield crop varieties that have saved developing countries from starvation but are now emptying their water reserves Pearce argues that the solution to the growing worldwide water shortage is more efficiency and a new water ethic based on managing the water cycle for maximum social benefit rather than narrow self interest

Warped Stories Arthur Wiederhold, 2019-09-20 WARped Stories is another collection of short tales written by Art Wiederhold and Charles Sutphen that run the gamut from science fiction to the supernatural to the Vietnam War SOLOMON S WAR is the story of a top notch combat soldier who goes rogue to keep an Earth cartel from destroying a distant planet
