Contained in this 87 000 word 390 page collection are the books Chance This Fate Touch This Fire and Make Me Whole Also contained is the bonus book Tacking in the Wind Chance This Fate Sometimes what seems like chance might just be fate Patrick couldn't know how much his life would change that dark night He saw them beating the poor boy kicking him while he lay cowering on the ground He did the right thing just being a good Samaritan But when he gazed into the auburn eyes of the eighteen year old boy his heart jumped and his stomach tightened The boy Colton was gorgeous and his sparkling eyes stole Patrick's breath away Instantly he knew why they were beating the boy and it broke his heart But what else could he do for the boy He did his duty as a decent man and saved Colton from a cruel battering He never even considered that he'd saved Colton in another way too And he certainly never expected that Colton would in turn be his savior Colton knew why they were beating him It was because he was gay It wasn't the first time and it wouldn't be the last But what he didn't know was that this time a man would rescue him He certainly didn't know the man would be so handsome so protective so caring He'd never thought he'd meet a man like that A man he could love But love is rarely so simple and Colton was inexperienced Little did he know he had awakened Patrick reignited his cooling heart Like Patrick had saved him from a vicious attack Colton was now saving Patrick in his own special way Touch This Fire He burst through the smoke larger than life The fireman who would be my savior He hoisted me over his shoulder and stole me back from the molten jaws of death Shawn was his name And when he set me down outside smoke bellowing out of every window of the building behind him he took off his mask and my heart stopped dead Those eyes those beautiful eyes pierced me Looked right through me Looked right into me He told me I would be alright and then stormed back into the building a tornado of a man Shawn looked every bit the hero But when they carried him out of the building blackened and hurt and sent him careening away in an ambulance The heart that he had stopped with those arresting eyes stopped again I had to find him I had to tell him thank you Maybe I could help him Little did I know that I would fall in love with him and that he would fall in love with me Make Me Whole I took him in I helped to heal him But it was he who made me whole Dan and I were friends from work I never thought anything romantic could blossom between us We went to the movies as friends never as dates We went hiking together as friends never as a couple I knew I was missing something in my life I just didn't know what Or who Until one fateful hike Dan slipped and broke his leg I did the best I could administered what first aid I could and together we made it to the hospital But he was going to be immobile for a while and he needed someone to take care of him I volunteered I wanted to help my good friend heal I took him into my home And suddenly my life felt so much more complete as though until now I was not whole just one part But I don't know how Dan feels All I know is that I'll take care of him I'll help him heal I never expected that it would be him who made me feel whole I never expected that in his own way he would heal me
